ACCOUNTING USING EXCEL FOR SUCCESS, 2E leads students to accounting mastery while increasing Excel proficiency. Written with the modern business world in mind, this adaptation of the principles text--ACCOUNTING, 24E--offers an innovative four-step system for students: (1) read the accounting concept and illustration, (2) follow the same concept using the Excel Success Example, (3) practice using the Try It Tutorial, and (4) apply knowledge by completing the Excel Success Problem. This text reinforces key accounting concepts through six basic Excel formulas. Students build an Excel portfolio to demonstrate basic competencies in accounting and Excel. Each new copy of the book comes packaged with an access code that allows students to use the online Excel Try It Tutorials. These tutorials guide students through the hands-on process of entering formulas and understanding how to Excel for accounting. Excel Success Special Activities at the end of the chapter require students to manipulate spreadsheets and save the files to demonstrate Excel competency. Within the auto-graded online homework products (CengageNOWTM and ApliaTM), students are asked to document their Excel processes. For a complete demo of the Excel Success system, visit www.cengage.com/community/warren.
