Words are wonderful, wacky, wise, winsome things to use. Sometimes seemingly senseless, sometimes soulful or sorrowful, sometimes spiritual or soulish, and sometimes startling, strengthening, sarcastic, sinful, or soul winning. Words are used in many ways and have many faces, fonts, facets, fortes, factions, flavors, and fans. Use them carefully for they can hurt to the quick, encourage to be quick, quicken the spirit, soothe the sorrowful, and confuse the illiterate. The paragraph above is an example of alliteration run rampant. So run, rally, reiterate, read, and return. Alliterative poems, short stories, and pithy proverbs in this book abound with humor, social comment, and even silliness. If you want a laugh, a jolt, or just a smile, you need to curl up with this book and get ready for the unexpected. It's not a children's book, but it's rated fun. Here's a couple of examples BS Bruce Sturgess bought string beans and stuffed broiled sirloin before sending Bryan Scott, burdened somewhat, back soon for baked swordfish. Bruce smiled beamingly, seemingly, because swordfish brought some bright, sweet memories to mind. Before Sandra Beavers split, Bruce and Sandra both savored baked swordfish. Bittersweet but soothing memories of being sweethearted bloomed somewhere in Bruce's soul. Sandra Beavers stood, built sweetly, built solid, built slender, built sprightly, bust size beautiful and sensual. Besides stirring Bruce Sturgess' best stuff between Bruce's strong legs, Sandra brought sensations to brighten Sturgess' brain. Somewhat better since breaking up, Sturgess became sadly bewildered sometimes, but soon Bruce would bite swordfish again, and Bryan's smile would brighten Sturgess' beautiful suite on Boston Street. Bitter soon after Sandra's brother stifled Bruce and Bruce stifled Sandra's brother into a blue suit, a big sack, and a black Studebaker, Sandra broke with Sturgess and stomped back to South Burbank steaming and bristling. ?Better start being sensible, Bruce Sturgess.? said Bruce to himself, seconds before smartly backing into a Buick Skylark. Buck Smothers burst from the Skylark and busted Sturgess on Bruce's suntanned beak. ?Big, stupid, backward, stunted, brainless student of bashing standing Bucks!?' screamed Buck. ?Be still!?' said Bruce. ?Some bystander, stand by for something beautiful?' Bruce stood before Smothers, and, before some could blink, struck Buck with several blows. Smothers, bruised and somewhat bloody, slowly bowed and sank to the busy sidewalk. ?A bit stupid, Buster!?' said Bruce. Later, after settling business, Sturgess, Bryan Scott, and Buck Smothers began eating swordfish between solemn bodyguards. The bodyguards were protecting Bryan Scott, because it was Scott's bundles and such that blocked Sturgess' back window and contributed to the bruised Skylark. Anyway, Bruce Sturgess, Bryan Scott, and Buck Smothers, bellies stretched by swordfish, BS'd the night away. But what's the difference? This is all BS anyway! COMMENT In the forging piece, paired words, one beginning with B, one with S, are used for the alliterative effect. In the following piece, alliteration is achieved by the more direct traditional approach almost all of the words begin with the letter M. MUSKETS Misfired muskets mutilate millions. Must muskets multiply? Maybe muskets might make mommy miserable, but must masses be miffed? Muskets make moose huntable. Moose meat makes mighty fine eating! Moose might be merry without muskets, but musketeers might go hungry without muskets. Might a moose be misused because of muskets? Mounts and muskets make might, and me being mighty makes me militant. Mark my words, muskets must not be withheld from the masses, minorities maybe, Mormons for sure. Musketrats may multiply without using muskets to maintain a manageable balance. Missed making my mark because of my missing musket. Might a maiden marry a man without a musket? Cross the mighty Mississippi without a musket? March at midnight without a musket? Musket makers make money by the millions. Must we have munitions just to make musket makers millionaires? Most modern municipalities mandate muskettless meetings. Must we be the backward musketeers? Moses didn't have muskets. Must we? Maybe we should have nothing more than handguns!

Step by Step Teacher's Guide

Being a New System of Teaching Reading and Spelling by Progressive Steps and Instructive Lessons. Division I: the Letter to Reading and Spelling: the Primer

Word Sorts and More, Second Edition

Assessment-Guided Phonics, Spelling, and Vocabulary Instruction

In spite of the wide range of resources and innovative teaching methods schools have had and are using, many students still fail to acquire literacy. Many have specific problems with word and letter symbols. They reverse and invert them, their hearing cannot discriminate fine differences in letter sounds, or they do not perceive patterns easily for their brain to make connections. Their visual and auditory memory may fail them, or their culture may use language that does not align with the standard accepted forms in the text. These children are disadvantaged because their brains work differently and they think and respond differently. This book embraces a different metaphor for teaching literacy that does not compartmentalize the curriculum into separate areas such as spelling, reading, writing, listening, speaking and presenting. Instead, the focus is on assessing their written language as a place to start in planning for success. An unassisted sample of a learner's writing could be said to be an example of what they understand of literacy, whether it be a scribble at three or an essay at twelve. I have proved conclusively that if teacher and student work collaboratively on improving their writing using their reading as a model, their reading ability rises naturally. This customized and individualized teaching method enables authentic teacher/student interactions. This not only allows the teacher to closely tailor their teaching to each student's unique learning needs, but it also brings the student on board in assessing their progress. Teaching a Child to Read and Write Well will clear a path towards mastering literacy that can engage all students and lead to success for all. Give it a go!

The I Can Fly Reading Program, Books A & B, are lesson-based workbooks which provide lessons in phonics for children who are just beginning to learn to read. The methods used in this program are based on the Orton-Gillingham approach, in that every sound and spelling rule is taught in a structured, cumulative manner with repetition. Perfect for all young students, especially those who have learning delays, speech and language difficulties, APD, autism, and those with a family history of dyslexia and may be dyslexic. This program is perfect for homeschooling, tutoring and for parents who need to help their children. There's no training needed, and the program is step-by-step, requiring no planning or lesson preparation. This program can also be used in the classroom with our Kindle version for the Smart Board or for remote teaching. All that is needed is the Kindle App (which can be used on PCs and Macs). A web app is available to augment the program. Go to IcanFlyReadingProgram.com. This book is colorful, with large text and a simple layout that is created to be visually appealing to children. The program comes in two books, Book A and Book B. Book A: the alphabet, consonants, vowels, consonant blends, FLOSS words, high frequency words, 'ch,' 'sh,' 'th,' 'ck,' 'ng,' 'nk,' VCV, 'oo,' 'ou' and 'ow' as /ou/. Book B: 'ow' as long 'o,' 'ay,' 'ar,' 'er,' 'ir,' 'or,' 'oy,' 'oi,' long vowel teams, the letter 'y,' words ending with 'ie,' 'ew,' long 'o' words, long 'l' words, 'qu,' 'au,' 'aw,' 'alk,' 'ct,' 'ea' as short 'e,' protecting short vowels, and past tense words.
