Agricultural Science June Examination Grade 10 Memorandum

New Scientist magazine was launched in 1956 "for all those men and women who are interested in scientific discovery, and in its industrial, commercial and social consequences". The brand's mission is no different today - for its consumers, New Scientist reports, explores and interprets the results of human endeavour set in the context of society and culture.

Policy Making and Politics

Pratiyogita Darpan

Japan's arrival since World War Two as
a major industrial nation has meant

that she has had to bear a greater share of the developed world's contribution to the developing nations and foreign aid has become an integral part of foreign policy. This book describes the roots of Japan's aid policy and shows that this side of her international economic policy is based largely on domestic conditions, structures and forces. To understand the pattern of Japanese aid as it stands today, it is important to
