Hearings Before the Committee on Science and Astronautics, and Subcommittees Nos. 1, 3, and

4, U. S. House of Representatives, Eighty-seventh Congress, First Session, on H. R. 3238 and H. R. 6029 (superseded by H. R. 6874) ... Suidwes-Afrika & Walvisbaai

This book is a must for enthusiasts of outstanding high-performance automobiles. It examines in detail all the great Chrysler 300 models from 1955 to the latest versions including the 425 horsepower 2005 300C SRT-8 model and the 300's running-mate, the 2005 Dodge Magnum. With hundreds of color and black and white photos, a carefully researched text, production and sales data, and a year-by-

year study of each Chrysler 300, this is a high-quality book celebrating the origin and return to glory of one of America's most respected high-performance automobiles. Three eras of the Chrysler 300 are covered: the first spans of the years 1955-1965; the second 1998-2004, when Chrysler revived the 300 name as the front wheel drive 300M; the third age began in 2004 when four all-new rear wheel drive Chrysler 300 models were introduced for the 2005 model year.
