Vh1's 100 Greatest Songs of Rock and Roll

Queen All the Songs details the unique recording history of the mega-bestselling and hugely influential rock band, album by album and track by track. A lovingly thorough dissection of every album and every song ever released by the beloved rock group, Queen All the Songs follows Freddie, Brian, Roger, and John from their self-titled debut in 1973 through the untimely passing of Freddie, all the way up to their latest releases and the Oscar-winning film, Bohemian Rhapsody. The writing and recording process of each and every track is dissected, discussed, and analyzed by author Benoit Clerc. Queen All the Songs delves deep into the history and origins of the band and their music. This one-of-a-kind book draws upon decades of research and recounts the circumstances that led to the composition of every song, as well as the recording process, and the instruments used.

Queen All the Songs is the must-have book for any true fan of classic rock. Martin Strong's best-selling and highly acclaimed monster reference book is now in its fourth edition. Encyclopaedic in scope, the book contains incomparable details on all the great figures in the development of the rock genre.

Remember the 80's? The Virgin Encyclopedia of 80's Music is a complete handbook of information and opinion about the history of the most fragmented and frequently maligned decade in the history of popular music. Here are 1000 entries on the bands, musicians, songwriters, producers and record labels - everyone who had a significant impact on the development of rock and pop music in those ten years, from the New Romantics who brought colour and image to fill the gap left by punk and the new wave, to the stadium acts who provided a launch pad for Live Aid, to the myriad variations of house and techno spawned in the latter half of the Eighties. As well as all the giants of the period the encyclopedia has the range and depth to include artists who flourished briefly and yet were quintessential to the decade. A perfect mix of fact and informed opinion contained in one single volume, distilled from the Encyclopedia of Popular Music, universally acclaimed as the world's leading source of reference on rock and pop history. Informed, infatuating and invaluable.

Bohemian Rhapsody (Sheet Music)

If Romeo and Juliet got the Hamilton treatment...who would play the leads? This vividly funny, honest, and charming romantic novel by Dana L. Davis is the story of a girl who thinks she has what it takes...and the world thinks so, too. Jerzie Jhames will do anything to land the lead role in Broadway's hottest new show, Roman and Jewel, a Romeo and Juliet inspired hip-hopera featuring a diverse cast and modern twists on the play. But her hopes are crushed when she learns mega-star Cinny won the lead...and Jerzie is her understudy. Falling for male lead Zeppelin Reid is a terrible idea-especially once Jerzie learns Cinny wants him for herself. Star-crossed love always ends badly. But when a video of Jerzie and Zepp practicing goes viral and the entire world weighs in on who should play Jewel, Jerzie learns that while the price of fame is high, friendship, family, and love are priceless.
