Presents the latest safety ratings, dealer prices, fuel economy, insurance premiums, maintenance costs, and tires of new model automobiles.

CCH's U.S. Master Depreciation Guide offers tax and accounting professionals who work with businesses a one-stop resource for guidance in understanding and applying the complex depreciation rules to their fixed assets. This area is especially challenging, because bits and pieces of applicable information must be gathered from a maze of Revenue Procedures, IRS Tables and IRS Regulations. These sources are frequently old and include some

University, 80 entries in the bibliography, language: English, abstract: The use and practice of product placement - also referred to as brand placement - has risen dramatically over the last few years. Here, especially the automobile industry is a major player by spending millions of dollars for strategically placing products and brands not only in blockbusters and movies, but increasingly also in various television programs, print media, and video games. This research paper investigates the effective of product placement for the automobile industry and its actual effect on consumer behavior. However, consumers' attitudes, perceptions, and values tend to differ depending on their culture; thus, further research shall concentrate on the possible

The truck's role in American society changed dramatically from the 1960s through the 1980s, with the rise of off-roaders, the van craze of the 1970s and minivan revolution of the 1980s, the popularization of the SUV as family car and the diversification of the pickup truck into multiple forms and sizes. This comprehensive reference book follows the form of the author's popular volumes on American cars. For each year, it provides an industry overview and, for each manufacturer, an update on new models and other news, followed by a wealth of data: available powertrains, popular options, paint colors and more. Finally, each truck is detailed fully with specifications and measurements, prices, production figures, standard
