Byron Katie is de grondlegger van The Work, een methode om negatieve gedachten op te sporen en te onderzoeken. In Vraag jezelf vrij laat zij zien dat emoties zoals verdriet, boosheid en ontevredenheid worden veroorzaakt door het feit dat we onze negatieve gedachten geloven. Door jezelf vier belangrijke vragen te stellen leer je dat onze gedachten niet altijd ons leven hoeven te bepalen. Op die manier verliezen negatieve gedachten hun macht. Wanneer we accepteren dat onze gedachten niet de waarheid verkondigen, is het makkelijker om er afstand van te nemen. Pas dan kunnen we met mildheid kijken naar anderen en naar onszelf. Bevrijd je van destructieve en onware gedachten, stel je hoofd en hart open en word gelukkig. 'Katie slaat de spijker op zijn kop!' O, The Oprah Magazine 'Dit boek kan je helpen om jezelf veilig te voelen, ongeacht welke gedachten er bij je opkomen. En dat kunnen we allemaal wel gebruiken.' Elizabeth Gilbert, auteur van Eten, bidden, beminnen 'Het werk van Byron Katie is een zegen voor onze planeet.' Eckhart Tolle, auteur van 'De kracht van het Nu'

Melania Williams wordt wakker in een badkuip vol bloed en een nier ontbreekt. Ze is verward en gedesoriënteerd, niet in staat te begrijpen wat er aan de hand is. Het enige dat ze weet, is dat ze pijn heeft en dat er iets ergs is gebeurd. Ze herkent de stad niet en spreekt de taal niet. Ze ontmoet een Amerikaanse toerist, Michael Biden. Hij is terughoudend om mee te doen, maar vindt haar onweerstaanbaar op een manier die hij nog nooit heeft gevoeld voor een andere vrouw. Hij gelooft dat hij haar kan helpen. Ze beseffen dat de mensen die verantwoordelijk zijn voor het innemen van haar nier nog niet klaar zijn met haar. Ze moeten rennen voor hun leven en tegelijkertijd intiem worden. Hun verbinding zal sterker worden naarmate hun overlevingsinstinct tot op het scherpst van de snede is. Ze zullen hulp vinden bij een onwaarschijnlijke bondgenoot in een straatjongen

met connecties, maar zijn hulp zal hen kosten. Is het een prijs die ze bereid zijn te betalen?

Xavier Radek is een in Basel woonachtige, geassimileerde, niet-joodse jongeman met een missie: hij wil meer weten over het lijden van de joden. Daarom besluit hij de 'vijanden van het geluk' te gaan troosten. Zijn grootvader was een nazi die het handwerk van de dood nog verstond. Zijn vader is een bekende architect, met een voorliefde voor massagesalons. En dan zijn moeder: een hartstochtelijke vrouw, die een aquarellerende dictator die zeventig jaar geleden actief was consequent aanduidt als 'Je-weet-wel-wie'. Hoewel zijn ouders Xaviers gedrag afdoen als puberale stoornis, raakt hij bevriend met Awromele, zoon van een rabbijn, die hem adviseert Jiddische lessen te nemen en zich te laten besnijden. Na een problematische besnijdenis raakt Xavier volledig overtuigd van zijn messianistische aspiraties: hij gaat schilderen om te troosten en vertrekt met Awromele naar het Venetië van het Noorden, alwaar hij zich aanmeldt bij de Rietveld Academie terwijl Awromele werk vindt als vakkenvuller bij Albert Heijn. Door de Europese woestijn trekken ze naar het beloofde land...
