Они содержат достаточно материала для запоминания основных грамматических форм и выработки навыков их применения. Дополнен теоретическим материалом и словарем. Предназначен для учащихся V–IX классов школ как с базовым, так и с углубленным уровнями изучения английского языка. 8-е издание, исправленное.

This book is a supplement to the textbook Basic Technical Japanese. It introduces 100 new kanji and more than 700 new words and phrases that appear frequently in documents dealing with solid-state physics. The text offers ten lessons, each presenting key vocabulary and ten new kanji that reappear in the exercises for that lesson and in subsequent lessons, reinforcing learning. The exercises emphasize vocabulary building, kanji recognition, definition matching, and translation skills. An introductory lesson reviews the katakana and hiragana writing systems. The lessons in this book have been keyed to the final ten chapters of Basic Technical Japanese, so that students can use the two volumes together to build a Japanese vocabulary and to practice translation related to solid-state physics and engineering.

"The Saddharma-Pu??ar?ka (The Lotus of the True Law), one of the Mahayana sutras, is perhaps the single most important Mahayana Buddhist work.

Composed originally in India, some sections written as early as the beginning of the Christian era, the Lotus is held in enormous esteem by the Northern schools of Buddhism and by Chinese and Japanese Buddhists, particularly Tendai and later developments. Described as "the most eminent" of all the sutras, "the crown jewel" in which "all Buddha-laws are succinctly taught," the Lotus is a keystone in the education of every serious Buddhist. This sutra is essentially a collection of

responses, explanations, ex cathedra lectures, and the like, bearing chiefly upon metaphysical issues: the nature of Buddhahood, the concept of nirvana, the Bodhisattva ideal, the rewards of the faithful, and other theoretical matters, that have become essential dogma in all Buddhist schools that have since arisen. A transfiguration of the traditional Buddha-situation is presented: the historical Buddha, the Tathagata or Sakyamuni, is seen in his eternal, supernatural aspect; he sits surrounded by an array of gods, arahats, demons, bodhisattvas, gandharvas, monks and nuns--all eager to hear the infinitely wise utterances of the Great Teacher. The revelations are made sometimes by Sakyamuni, addressing his historical sangha, including Ananda, Sariputra, Kasyapa, et al., and at other times by the Buddhas of the past and the future, Manjusri and Maitreya. This edition contains the complete translation of the Lotus, rendered from Sanskrit by Professor Kern. He has also written a critical introduction to the work and has clarified and supplemented the text by means of numerous footnotes." -- Publisher's description

*This book of supplementary grammar exercises for elementary and lower intermediate students of English accompanies the second edition of Essential Grammar in Use. It contains a wealth of additional exercises which provide students with further practice of the grammar they have studied. * Provides challenging contrastive practice of the forms students of this level find most difficult. * Offers a wide variety of interesting exercise types with clear illustration. * Is clearly cross-referenced to the second edition of Essential Grammar in Use but is flexible enough to be used independently. * Contains useful revision material suitable for class use or for homework.*

If you've mastered the basics of Japanese grammar and are ready to move to the next level, this book is for you! Each of the 12 chapters is devoted to one widely-used sentence structure and its variations. Chapters are broken down into the following easy-to-follow components: Clear presentation of model sentences Breakdown and explanation of the grammar of key sentence patterns Controlled practice exercises, such as filling in the blanks and imitating model sentences Free practice exercises, using the target sentence structure to create your own sentences Reading comprehension practice, of narrative text and dialogues, for consolidation Online audio files recorded by a native speaker are available for all key Japanese dialogues, and all texts are written in Japanese characters with romanized Japanese and English translation—making the book accessible even for students who have not yet mastered Japanese script. The book is illustrated throughout with drawings that reinforce the meaning of the written text. Japanese Grammar: A Workbook for Self-Study is ideal for anyone studying for the JLPT N3 test, or the AP Japanese Language and Culture test. It is perfect for post-beginners who want to move quickly to the next level, and for intermediate students who want to review and perfect their grammar skills.

Designed as a companion and study guide for the textbook "Comprehending Technical Japanese," this book may also be used as a supplement to the textbook "Basic Technical Japanese." It provides detailed explanations of the origin and meaning of the 500 kanji featured in "CTJ," which were chosen for their frequency and significance in chemistry, physics, and biology. Each chapter is keyed to a chapter in "CTJ," presenting twenty kanji, vocabulary that use those kanji, a kanji-card format for study and review, and the Japanese essay that appears at the close of each "CTJ" chapter, and its English translation. This volume also introduces significant scientific vocabulary that include kanji other than the 500 introduced in "CTJ."

The world's best-selling grammar series for learners of English. To accompany Essential Grammar in Use Fourth edition, Essential Grammar in Use Supplementary Exercises provides elementary-level learners with extra practice of the grammar covered in the main book. The easy-to-follow exercises and full answer key make this supplementary book ideal for independent study. Extra activities for Essential Grammar in Use are also available as a mobile app for smartphones and tablet devices, available to purchase separately from the App Store (iOS) and Google Play (Android).

This book is a supplement to the textbook Basic Technical Japanese. It introduces an additional 100 kanji that are important in building vocabulary for reading and translating the Japanese literature on polymer science and engineering. The text offers ten lessons, each of which introduces ten new kanji as well as exercises for mastering them. The new kanji are printed in very large type at the beginning of each chapter so that the reader can see clearly how the characters are structured. The exercises include several kinds of matching, as well as translation of sentences and short paragraphs. Full translations of some exercises allow learners to evaluate their own work. In addition, a list of thirty-five more kanji related to polymer science is provided at the end of the book. Intended for self-study, the book provides a complete on-kun index of all 135 kanji, which enables learners, if they know the pronunciation of a word, to locate the introductory discussion of the corresponding kanji in the book.

New Cambridge Advanced English places a strong emphasis on vocabulary, collocation and idiom. It includes CAE exam-style exercises but is suitable both for exam and non-exam candidates. This is a third edition, differing from the second edition by only one minor change in a reading passage.

Aan de hand van een dossier van een waargebeurde zaak wordt, stap voor stap, uiteengezet hoe een procedure zich in de praktijk ook daadwerkelijk afspeelt. In een 'Ars Aequi Procesdossier' zijn de originele processtukken opgenomen en neemt de begeleidende tekst de lezer mee langs de hoofdlijnen van het geldende recht en brengt op deze wijze 'de stof tot leven'. In dit procesdossier wordt aan de hand van echte processtukken een bestuursrechtelijke procedure beschreven. Eerst wordt op hoofdlijnen ingegaan op het relevante bestuursprocesrecht. Daarna volgt op basis van stukken uit het dossier van een advocaat een weergave van het verloop van een handhavingszaak. De procedure begint met de aanschrijving door de gemeente en eindigt met de uitspraak van de hoogste bestuursrechter in Nederland, de Afdeling bestuursrechtspraak van de Raad van State. Het dossier laat zowel de inhoudelijk meer belangrijke stukken als verweerschriften en rechterlijke uitspraken zien, als de bijkomende correspondentie rondom zittingen.

Thoroughly revised and updated, this new edition contains 185 varied exercises to provide students with extra practice of the grammar studied in the third edition of Essential Grammar in Use. This edition, with answers, is ideal for self-study.
