"Fountains in the Rain"

An Exposition of the Old Testament,
etc

Preface..... The story of Lord
Buddha is the most read story in the
world. This is one story that is
beyond the boundaries of religion,

Download Free Fountains In The Rain

culture and society. The story is being told and retold for almost more than two thousand and five hundred years, yet what happened at that time from the birth of prince Siddhartha till he attained his Nirvana is very enigmatic. Not

Download Free Fountains In The Rain

much written evidence is available for that, while lot of literature is available for what happened after Nirvana. This story is just an attempt to tell the world what would have happened at that time, when seen in the logical context of human

Download Free Fountains In The Rain

boundaries. This story is only upto the point when monk Gautam attains Nirvana. Further attempt to tell the story after Nirvana, when Gautam became Buddha, will be made after the outcome of this attempt. We know some stories connected with

Download Free Fountains In The Rain

prince Siddhartha, his life and these stories are scattered here and there in various books. Jatakas contain the previous birth stories of Lord Buddha. But there is no such consolidated book, which can be ascribed to prince Siddhartha's life.

Download Free Fountains In The Rain

The author has made an attempt to collect all such stories and thread them into a garland. The result is this book. In the attempt, some literary and fictional additions have been done. But in the end, the author is sure that the readers will like the

Download Free Fountains In The Rain

storyline. Kapilvastu was not a huge kingdom. Its name is not included in the sixteen (or twelve) Mahajanpadas. It clearly indicates that Kapilvastu was a small principality within the kingdom of Kosala. The rulers of Kapilvastu

Download Free Fountains In The Rain

were descendants of great Ikshavaku, who was also ancestor of the rulers of Kosala. It clearly means that the rulers of Kapilvastu and Kosala were related by blood. And as per the tradition, the throne was passed to the eldest son of the king

Download Free Fountains In The Rain

and the younger son became vassal ruling small principalities within the kingdom, owing allegiance to the king. This would have happened at that time too, within the kingdom of Kosala. The story has been developed accordingly. Kapilvastu

Download Free Fountains In The Rain

was surrounded by Mahajanpadas, and as such its polity was influenced by the neighboring kingdoms. Many events happened in the neighbouring kingdoms, and that had a bearing in the future of Kapilvastu and hence Siddhartha. These events have also

Download Free Fountains In The Rain

been included in this story to give the story a flow. These incidences and events are of historical significance and happened around the same time, though the interpretation of these events is of author's own. Some texts point out

Download Free Fountains In The Rain

to the fact that Siddhartha was married to Yashodhara, a princess from the neighbouring kingdom of Koliya. Some texts point out that Siddhartha had three wives, namely, Yashodhara (daughter of Dandapani), Mrigdja (daughter of

Download Free Fountains In The Rain

Kinkinishwar) and Gopa (daughter of Kanika). It is not sure, which one is the right fact. In this book, Siddhartha is shown to be married only to Yashodhara as the Shakyas wanted to preserve their lineage; hence marriage within community

Download Free Fountains In The Rain

was allowed. Also 'one man- one woman' formula was propagated. Thus, it would have been not possible for Siddhath to marry three girls. The purity of Shakya race was declared by the Buddha himself in Ambattha Sutta. The predictions of

Download Free Fountains In The Rain

sage Asit were not told to Prince Siddhartha, till this was finally revealed to him. All through his life as a prince, Siddhartha was kept away from four signs sage Asit told- an old decrepit man, a diseased man, a dead man and a monk. In this

Download Free Fountains In The Rain

story, it is emphasized that king Shuddhodan had forbidden presence of anybody who could remind Siddhartha about these signs. Siddhartha virtually grew in controls of the palace. This is author's idea to develop the story forward. The

Download Free Fountains In The Rain

author is of belief that Buddhism was born after Buddha, i.e., after Siddhartha attained nirvana. Before Buddhism, there was Vedic religion and the Vedic philosophy. The same concept is used in this book to show what Siddhartha was taught by his

Download Free Fountains In The Rain

teachers, Master Arada Kalama and Master Udrak Ramputra. Arada is depicted as an exponent of Raj Yoga techniques whereas Udrak is depicted as master of Hatha Yoga techniques. Siddhartha learnt both these techniques under these

Download Free Fountains In The Rain

masters. This can be seen in the various teachings of Lord Buddha. In the Heart Sutta, Buddha explains about emptiness and form. This is nothing but something that can be explained and attained through combination of Raj yoga,

Download Free Fountains In The Rain

Hatha Yoga and Laya Yoga. The author would like to mention that the philosophy depicted in the book have been told to him by his guru, Shri Shri Shibendu Lahiri, and sometimes it is verbatim. And what has been given in the book is just a

Download Free Fountains In The Rain

drop in the ocean. There is much more to learn from him. In the book, an attempt is made to describe the psychology of Prince Devdatt, his extreme hatred for Siddhartha and why he hated Siddhartha. Due to this hatred only, Devdatt tried many

Download Free Fountains In The Rain

times to kill Prince Siddhartha, then Lord Buddha after Siddhath attained nirvana. Till Siddhartha was born, Devdatt was heir apparent to the throne of Kapilvastu. He was eldest in the entire family for four brothers- Shuddhodan, Shuklodan,

Download Free Fountains In The Rain

Amritodan and Dronodan. Shuddhodan's wife, Queen Mayadevi could not conceive for almost twenty years after their marriage. Though there is no concrete evidence to say that, yet it is widely perceived to be like this

Download Free Fountains In The Rain

only. (In some texts, Devdatt is the son of Suprabuddha of Devdaha). In the end of this preface, the entire genealogy of Lord Buddha, whichever the author could gather, is presented for ready reference. And after Siddhartha was born, and

Download Free Fountains In The Rain

he became the heir to the throne of Kapilvastu, being elder son of the king. This incidence and many more such incidences where Siddhartha was given preference over other princes due to the stories associated with his birth, cemented Devdatt's

Download Free Fountains In The Rain

resolution to get rid of Siddhartha.
Readers will not find story of
Devdatt out of context in this book.
In the concluding part of book, the
Maar is shown to take a human
form. Though this is not possible for
the negativity to take a form, but it

Download Free Fountains In The Rain

was essential to depict the fight monk Gautam had undergone with himself, with his own negativity. Only after defeat of his negativity, he could attain nirvana. Everybody has to fight with his Maar one day or the other, but the fight monk

Download Free Fountains In The Rain

Gautam had with his Maar shows how the negativity sometimes controls the thoughts of even profound persons like monk Gautam. The author is sure that readers would like the depiction of fight between Gautam and his

Download Free Fountains In The Rain

negativity. In order to take the story forward, the protagonist should always have some companion to express his mind. Thus, the protagonist of this story, Siddhartha and later Gautam is shown always in company of somebody, Channa,

Download Free Fountains In The Rain

Yashodhara or Kondinya. Actually, Kondinya may not have met Gautam during his travel to Vaishali, but it is shown just to carry the story forward. The story contains many words which are not from English language, but from Sanskrit or Pali

Download Free Fountains In The Rain

or Hindi. These words are in italics and their meaning is in the other chapter after preface. These words are used as they explain the situation better than any phrase or word in English. In the end, it is hoped that this attempt by the author will be

Download Free Fountains In The Rain

appreciated by the readers. This story should be read as story, and not as an attempt to rewrite history. Many incidences and characters may not fall in line with the thinking of people having knowledge about Buddhism. This is a work of fiction

Download Free Fountains In The Rain

and should be taken likewise.

However, author welcomes the comments from the readers.
