

Friends Of Eddie Coyle

Spanning the length of Roger Ebert's career as the leading American movie critic, this book contains all of his four-star reviews written during that time. A great guide for movie watching.

In this collection of essays, a number of critics offer commentary on the crime fiction genre, exploring the kinds of pleasure it offers. Looking under the attractive surface of these books, the contributors discover a number of complex issues.

The gangster movie is one of the most popular genres in film. From the Italian, Irish, and Russian "families" in America to similarly sinister groups in Europe, Japan, and beyond, the cinema has never shied away from portraying the evil exploits of these brutal outfits. In this highly entertaining and informative book, two accomplished and apropos authors put the genre in perspective like no other author or documentarian has done before. The Ultimate Book of Gangster Movies provides extensive reviews of the Top 100 gangster films of all time, including sidebars like "Reality Check," "Hit and Miss," "I Know That Guy," "Body Count," and other fun and informative features. Also included are over a dozen stand-alone chapters such as Sleeper "Hits," "Fugazi" Flops, Guilty Pleasures, Lost Treasures, Q&A Interviews with top actors and directors (including Chazz Palinteri, Michael Madsen, Joe Mantegna, and more), plus over 50 compelling photographs. Foreword by Joe Pistone, the FBI agent and mob infiltrator who wrote the bestselling book and acclaimed movie, Donnie Brasco.

How has American cinema engaged with the rapid transformation of cities and urban culture since the 1960s? And what role have films and film industries played in shaping and mediating the "postindustrial" city? This collection argues that cinema and cities have become increasingly intertwined in the era of neoliberalism, urban branding, and accelerated gentrification. Examining a wide range of films from Hollywood blockbusters to indie cinema, it considers the complex, evolving relationship between moving image cultures and the spaces, policies, and politics of US cities from New York, Los Angeles, and Boston to Detroit, Oakland, and Baltimore. The contributors address questions of narrative, genre, and style alongside the urban contexts of production, exhibition, and reception, discussing films including The Friends of Eddie Coyle (1973), Cruising (1980), Desperately Seeking Susan (1985), King of New York (1990), Inception (2010), Frances Ha (2012), Fruitvale Station (2013), Only Lovers Left Alive (2013), and Doctor Strange (2016).

The Boston Mob Guide

The Movie Guide

A riveting, blistering novel about the shady side of the law and the business side of the Boston underworld by the one and only George V. Higgins. Jerry Fein is a small-time lawyer, occasional booking agent, and full-time slumlord. But he 's nobody 's fool. So when the tenants of his dilapidated buildings refuse to pay rent because of rats, Jerry knows just the man to help him—Leo Proctor, a professional arsonist, who can make a fire marshal look the other way for a little cash. But the heat is on over at the police station as well, and a couple of cops are suddenly feeling pressure from their superiors to produce tangible results, and something has got to give. Full of showboating politicians, hardnosed cops, and lawyers a little too familiar with both sides of the law, The Rat on Fire is another Higgins masterpiece and an unflinching portrait of the Boston crime world.

De felle en onafhankelijke Hildy is makelaar in een stadje in de buurt van Boston. Ze weet bijna alles van iedereen en het gerucht gaat dat ze helderziend is. Vroeger kon Hildy iedereen onder tafel drinken, maar sinds haar twee dochters haar naar een kliniek hebben gestuurd is ze van de drank af - bijna dan. Hildy raakt bevriend met de rijke Rebecca, een van haar cliënten. Samen delen de vrouwen hun zorgen, bij het haardvuur, met een stiekeme fles wijn. Hildy's oude liefde Frank waarschuwt haar voor Rebecca, die een ziekelijke Fatal Attraction-achtige obsessie aan het ontwikkelen is. Hildy probeert haar vriendin te beschermen, maar raakt zelf ook steeds dieper in de problemen. 'Ik ging de pagina's steeds sneller omslaan. Een one of a kind hoofdpersoon. Z ó levensecht dat ze iemand zou kunnen zijn die je zelf kent.' JODI PICOULT 'Indringend en geestig, met een duister randje.' The New York Times 'Scherp, met een meesterlijke pen geschreven. Een zowel bedwelmende als ontvullende roman.' People ****

Max Berry, Lexicon 'Dichter bij de perfecte thriller kom je niet: slim, grappig en razendsnel.' Time Magazine 'Hou je van honden of katten? Wat is je lievelingskleur? Kies een getal tussen nul en honderd. Hou je van je familie? Waarom heb je het gedaan?' Wil Parke wordt in een wc-ruimte van een vliegveld bruut overmeesterd door twee mannen. Ze stellen hem een reeks vreemde vragen en beweren dat hij de sleutel is tot een geheime strijd waar hij niets van weet, en dat hij 'immun' is. Straatschoffie Emily Ruff wordt gerekruteerd door een exclusieve school waar leerlingen les krijgen in overtuigingskracht. Ze leren woorden te gebruiken als wapens. De besten worden 'dichters' en gaan werken voor een sinistere organisatie. Al snel is Emily het grootste talent... totdat ze een catastrofale fout maakt: ze wordt verliefd. 'Ik daag iedereen uit om de eerste bladzijde te lezen en dan niet door te gaan tot de laatste.' Lev Grossmann, schrijver van Codex 'Absoluut een eersteklas, spannende thriller. De lezers leven mee met de overtuigende personages en slaan de bladzijden om tot het bevredigende slot.'

100 American Crime Writers

The Rat on Fire

From Edgar Allan Poe to James Ellroy, crime writers have provided some of the most popular, controversial, acclaimed and disturbing works in American literature. 100 American Crime Writers provides critical biographies of some of the greatest and most important crime writers in American history. Both an important scholarly work and an enjoyable read accessible to a wider audience, this addition in Palgrave's Crime Files series includes discussion of the lives of key crime writers, as well as analysis of the full breadth and scope of the genre - from John Dickson Carr's Golden Age detective stories to Raymond Chandler's hardboiled Philip Marlowe novels, Ed McBain's 87th Precinct police procedurals to Megan Abbott's modern day reimagining of the femme fatale. Drawing on some of the best and most recent scholarship in the field, all of the key writers and themes of the genre are discussed in this comprehensive study of one of the most fascinating and popular of literary genres.

In his final novel George V. Higgins provides us with yet another searing and enthralling dissection of the Boston underworld. Arthur McKeach and Nick Cistaro are notorious, especially to the Boston police department. Their reputations precede them as orchestrators of extortion, theft, fraud, bribery, assault and even murder. But for thirty two years, both have managed to elude the authorities. A profitable "arrangement" with the FBI, negotiated some thirty years previously, has kept them comfortably unindicted and free to monopolize Boston's crime scene for all too long. In this thrilling, fast-paced George V. Higgins classic, the intricate channels of crime and American law enforcement turn out to be inextricably and precariously linked. Inspired by a true story, At End of Day frames a vivid and timelessly authentic narrative that has implications far beyond its pages.

These are the friends of Eddie Coyle: Jackie Brown, the gun leader; Dillon, part-time contract killer; Jimmy Scalisi, gang leader. All the hoods, gunmen, drivers, thieves and executioners wheeling, dealing, and stealing in the world of Eddie Coyle, a small time punk with a big time problem.

Een geadopteerde jonge vrouw die probeert achter de waarheid over haar biologische ouders te komen, raakt daardoor verwickeld in een onverkwikkelijke zaak.

Jon Roberts werd geboren als de telg van een Godfatherachtige maffiafamilie en was al op zijn zevende getuige van zijn eerste moord. Als jeugddelinquent en bendelid krikte hij de misdaadcijfers in New York flink op. Om een lange gevangenisstraf te ontlopen ging hij naar Vietnam, waar hij als lid van een elite-eenheid gerichte moorden uitvoerde. Later boekte hij in New York successen als promotor van nachtclubs. Toen de grond hem te heet onder de voeten werd, vluchtte hij naar de zon van Miami, waar hij logistieke zaken ging regelen voor het Medellín-kartel. Hij werkte voor de legendarische Pablo Escobar en was medeverantwoordelijk voor een aantal ingenieuze smokkelpraktijken. In zijn met traangas en mortieren beschermde stadsfort was 'de Bebaarde Gringo' nagenoeg onaantastbaar voor vijanden en voor de politie. Zijn leven nam een bizarre wending toen ook hooggeplaatste politici en de CIA gebruik gingen maken van zijn talent om zaakjes voor elkaar te krijgen.

From Levi and Cohen, Irish Comedians (1903) to The Irishman (2019), this book is a fascinating journey through the history of representations of the Irish in American cinema.

Examines how secular transformations of religious ideas have helped to shape the style and substance of works by American writers, filmmakers and artists from Catholic backgrounds.

The Cavalry Charges: Writings on Books, Film, and Music, Revised Edition is a collection of anecdotal reflections that relate many of the experiences that shaped Barry Gifford as a writer.

Representative of Gifford's body of work, this volume is divided into three sections: books, film and television, and music. Within these sections, Gifford's best work is showcased, including a nine-part dossier on Marlon Brando's One-Eyed Jacks, in which Gifford examines the public and private lives of those involved in the film, producing an innovative framework for the movie.

New to the collection are four previously published essays: a brief look at the novels of Álvaro Mutis; a reflection on Gifford's schooling under Nebraska poet John Neihardt; an essay on Elliot Chaze and his novel, *Black Wings Has My Angel*; and a short piece on *Sailor and Lula*.

Pop Culture Top Ten Lists to Help You Win at Trivia, Survive in the Wild, and Make It Through the Holidays

In the late 1960s, the collapse of the classic Hollywood studio system led in part, and for less than a decade, to a production trend heavily influenced by the international art cinema. Reflecting a new self-consciousness in the US about the national film patrimony, this period is known as the Hollywood Renaissance. However, critical study of the period is generally associated with its so-called principal auteurs, slighting a number of established and emerging directors who were responsible for many of the era's most innovative and artistically successful releases. With contributions from leading film scholars, this book provides a revisionist account of this creative resurgence by discussing and memorializing twenty-four directors of note who have not yet been given a proper place in the larger history of the period. Including filmmakers such as Hal Ashby, John Frankenheimer, Mike Nichols, and Joan Micklin Silver, this more expansive approach to the auteurism of the late 1960s and 1970s seems not only appropriate but pressing - a necessary element of the re-evaluation of 'Hollywood' with which cinema studies has been preoccupied under the challenges posed by the emergence and flourishing of new media.

'The best crime novel ever written' - Elmore Leonard When small-time gunrunner Eddie Coyle is convicted on a felony, he's looking at three years in the pen - that is, unless he sells out one of his big-fish clients to the DA. But which of the many hoods, gunmen and executioners he calls his friends should he send up river? Set on the mean streets of Boston and told almost entirely in crackling dialogue by a vivid cast of cops and lowlifes, *The Friends of Eddie Coyle* set a standard for authentically gritty crime fiction that has never been bettered.

Henry Mancini's Peter Gunn theme. Lalo Schifrin's Mission: Impossible theme. Isaac Hayes' theme from Shaft. These iconic melodies have remained a part of the pop culture landscape since their debuts back when movie studios and TV production companies employed full orchestral ensembles to provide a jazz backdrop for the suspenseful adventures of secret agents, private detectives, cops, spies and heist-minded criminals. Hundreds of additional films and television shows made from the mid-1950s and beyond have been propelled by similarly swinging title themes and underscores, many of which have (undeservedly) faded into obscurity. This meticulously researched book begins with Hayes' game-changing music for Shaft, and honors the careers of traditional jazz composers who--as the 1970s gave way to the '80s and beyond--resolutely battled against the pernicious influx of synth, jukebox scores and a growing corporate disinterest in lavish ensembles. Fans frustrated by the lack of attention paid to jazz soundtrack composers--including Mort Stevens, Laurie Johnson, Mike Post, Earle Hagen, David Shire, Elmer Bernstein and many, many others--will find solace in these pages (along with all the information needed to enhance one's music library). But this is only half the story; the saga's origins are discussed in this book's companion volume, *Crime and Action Jazz on Screen: 1950-1970*.

Ze besluiten hem mee te nemen en op zoek te gaan naar de biologische vader van de eenzame Bartholomew. Stories of Violence

Somewhere in the labyrinth of our memories are films that we have seen and cannot forget but frustratingly may never see again because they have mysteriously vanished from the public domain. They may be hidden away in a film studio's vault, buried beneath the floorboards of a filmmaker's home, imprisoned by some ancient legality, refused release at a director's whim or simply not optioned by a distributor. This book brings back to life 101 films that are entombed in a cinema cemetery and in so doing unearths a film noir masterpiece, a French classic, a Mastroianni feature comparable to Cinema Paradiso, a pioneering Independent film of the fifties, a Joan Crawford headliner, an amazing Nicholas Ray experimental feature, Italian comedies by Nichetti and lost gems by Widerberg, Hitchcock, Lang, Ford, Lubitsch, Litvak, Dmytryk, Kazan, Cacoyannis, Boetticher, Zinnemann, Ray, Huston and many more luminaries of the silver screen. No film is guaranteed a general release whether screened at Sundance or Cannes and though critics may acclaim them, audiences applaud them, too many disappear into oblivion. This book pays homage to those lost films that deserve to be exhibited beyond the screen of our mind.

The classic novel from "America's best crime novelist" (Time), with a new introduction by Dennis Lehane George V. Higgins's seminal crime novel is a down-and-dirty tale of thieves, mobsters, and cops on the mean streets of Boston. When small-time gunrunner Eddie Coyle is convicted on a felony, he's looking at three years in the pen--that is, unless he sells out one of his big-fish clients to the DA. But which of the many hoods, gunmen, and executioners whom he calls his friends should he send up the river? Told almost entirely in crackling dialogue by a vivid cast of lowlifes and detectives, The Friends of Eddie Coyle is one of the greatest crime novels ever written. "The best crime novel ever written--makes The Maltese Falcon read like Nancy Drew." -- Elmore Leonard

Widely known as the crime fiction writer whose work led to the movies Get Shorty and Out of Sight, Elmore Leonard had a special knack for creating "cool" characters. In Being Cool, Charles J. Rzepka looks at what makes the dope-dealers, bookies, grifters, financial advisors, talent agents, shady attorneys, hookers, models, and crooked cops of Leonard's world cool. They may be nefarious, but they are also confident, skilled, and composed. And they are good at what they do. Taking being cool as the highway through Leonard's life and works, Rzepka finds plenty of byways to explore along the

way. Rzepka delineates the stages and patterns that characterize Leonard's creative evolution. Like jazz greats, he forged an individual writing style immediately recognizable for its voice and rhythm, including his characters' rat-a-tat recitations, curt backhands, and ragged trains of thought. Rzepka draws on more than twelve hours of personal interviews with Leonard and applies what he learned to his close analysis of the writer's long life and prodigious output: 45 published novels, 39 published and unpublished short stories, and numerous essays written over the course of six decades.

"Rzepka's close reading of Leonard's fiction is an insightful, thorough and timely addition to scholarship on the author."—Library Journal "Few people are as versed in Elmore Leonard's world as Charles Rzepka."—BU Today
