On a cold February day in 1979, when most of the Northeast was snowed in by a blizzard, NASCAR entered the American consciousness with a dramatic telecast of the Daytona 500. It was the first 500-mile race to be broadcast live on national television and featured the heroes and legends of the sport racing on a hallowed track. With one of the wildest finishes in sports history -- a finish that was just the start of the drama -- everything changed for what is now America's second most popular sport. He Crashed Me So I Crashed Him Back is the story of an emerging sport trying to find its feet. It's the story of how Bobby Allison, Donnie Allison, Cale Yarborough, Richard Petty, Dale Earnhardt, Darrell Waltrip, A.J. Foyt, and Kyle Petty came together in an unforgettable season that featured the first nationally televised NASCAR races. There were rivalries -- even the sibling kind -- and plenty of fistfights, feuds, and frenzied finishes. Rollicking and full of larger-than-life characters, He Crashed Me So I Crashed Him Back is the remarkable tale of the birth of modern stock-car racing.

The title of the book is just what it says. McRae changes around the old saying that goes Keep Your Friends Close....But Your Enemies Closer because in this book it

means just the opposite. Always keep your enemies close, but when you have people that you have been very close to turn on you, that's a hard pill to swallow. Especially on the line of work Terry did and the way she did it. You will not be disappointed to find out how she handles the whole situation.

Rees Howells was a man of little worldly fame, yet through Norman Grubb's best-selling biography, his life story is known to millions. Born in a Welsh mining village, he left school at twelve and worked in a tin mill and a coal mine. As he came to know the redeeming power of his Lord and Saviour he faced the implications of an entire surrender, learned to love the unlovely and found the key to the power of prayer. As a result he became a man of great Christian inspiration to others in both Britain and Southern Africa where he became the channel of a mighty revival. Norman Grubb describes all this, but also the foundation of the Bible College of Wales at Swansea, perhaps the greatest monument of his work, and the intercessory prayer that became the hallmark of Rees Howells, impacting as it did on national policy and international affairs. Rees Howells' life was so great that the Church of Christ still feels the impact of his truths of the Spirit and the Scriptures in a unique and amazing way. Every chapter in this biography is full of drama and light. Rees Howells: Intercessor is an enthralling story, told with simplicity, humanity and humour, and it has proved an inspiration for nearly half a century.

Why are women's friendships so tricky? During a particularly painful time in her life, Sarah Zacharias Davis learned how delightful—and wounding—women can be in friendship. She saw how some friendships end badly, others die slow deaths, and how a chance acquaintance can become that enduring friend you need. *The Friends We Keep* is Sarah's thoughtful account of her own story and the stories of other women about navigating

friendship. Her revealing discoveries tackle the questions every woman asks: • Why do we long so for women friends? • Do we need friends like we need air or food or water? • What causes cattiness, competition, and co-dependency in too many friendships? • Why do some friendships last forever and others only a season? • How do I foster friendship? • When is it time to let a friend go, and how do I do so? With heartfelt, intelligent writing, Sarah explores these questions and more with personal stories, cultural references and history, faith, and grace. In the process, she delivers wisdom for navigating the challenges, mysteries, and delights of friendship: why we need friendships with other women, what it means to be safe in relationship, and how to embrace what a friend has to offer, whether meager or generous.
