from a performance come back to haunt us, as if to prolong and transform our experience as spectators, as if to force us to rethink the event, to return to our pleasure or our terror.’ – Patrice Pavis, from the foreword

Contemporary Mise en Scène is Patrice Pavis’s masterful analysis of the role that staging has played in the creation and practice of theatre throughout history. This stunningly ambitious study considers: the staged reading, at the frontiers of mise en scène; scenography, which sometimes replaces staging; the reinterpretation of classical and contemporary works; the development of intercultural theatre and ritual; new technologies and

their usage live on the stage; the postmodern practice of deconstruction. But it also applies sustained critical attention to the challenges of defining mise en scène, of tracking its development, and of exploring its possible futures. Joel Anderson's powerful new translation lucidly realises Pavis's investigation of the changing possibilities for stagecraft in the context of performance art, physical theatre and modern theory. Popular Mechanics inspires, instructs and influences readers to help them master the modern world. award-winning Web site (Computerworld.com), twice-monthly publication, focused conference series and custom research form the hub of the world's largest global IT media network. Each house, like each place, has its own topography, its own lore. A complex history comes down to us, through household jokes and anecdotes, odd family habits, and irrational superstitions, that forever shapes what we see and the way in which we see it. Beginning with his childhood home, David Malouf moves on to show other landmarks in his life, and the way places and things create our private worlds. Written with humour and uncompromising intelligence, 12 Edmondstone Street is an unforgettable portrait of one man's life.
