These people have

answer the question  
of, where did they go,  
who are they now,

of the lost tribes.

What I have  
discovered as I have  
read these books is  
that, for the most part,  
the lost tribes have  
become the Christian  
Nations of the world.  
Because of the innate  
ancestral spiritual  
earning of a people  
who were once part of  
Yehovah's Kingdom,

the lost tribes have responded to the calling of a Savior

who gives the promise that they can once again be part of God's Kingdom.

Unfortunately, to this day, the lost tribes have not repented and turned back to Yehovah and His Law. This will not always be the case.

Very soon, Yehovah is going to heal the hearts of those who have descended from the lost tribes and return them to the Law and to the Land of Promise.
