This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1914 edition. Excerpt: . . . CHAPTER X. FAMILY CHANGES. TRANSFIGURATION. ! IN MEMORIAM. Lines written by Louisa M. Alcott on the death of her mother. Mysterious death! who in a single hour Life's gold can so refine, And by thy art divine Change mortal weakness to immortal power I Bending beneath the weight of eighty years, Spent with the noble strife Of a victorious life, We watched her fading heavenward, through our tears. But ere the sense of loss our hea-­ts had wrung, A miracle was wrought; And swift as happy thought She lived again, -- brave, beautiful, and young. Age, pain, and sorrow dropped the veils they wore And showed the tender eyes Of angels in disguise, Whose discipline so patiently she bore. The past years brought their harvest rich and fair: While memory and love, Together, fondly wove A golden garland for the silver hair. 1 This poem was first published anonymously in " The Masque of Poets," in 18/8. How could we mourn like those who are bereft, When every pang of grief Found balm for its relief In counting up the treasures she had left ? -- Faith that withstood the shocks of toil and time; Hope that defied despair; Patience that conquered care; And loyalty, whose courage was sublime; The great deep heart that was a home for all, -- Just, eloquent, and strong In protest against wrong; Wide charity, that knew no sin, no fall; The spartan spirit that made life so grand, Mating poor daily needs With high, heroic deeds, That wrested happiness from Fate's hard hand. We thought to weep, but sing for joy instead, Full of the grateful peace That follows her release; For nothing but the weary dust lies dead. Oh, noble woman! never more a queen Than in the laying down Of sceptre and of crown To win a greater kingdom, yet unseen: Teaching us how to seek the...

Alcott was an abolitionist and a feminist.

Louisa May Alcott never intended to write Little Women. She had dismissed her publisher's pleas for such a novel. Written out of necessity to support her family, the book had an astounding success that changed her life, a life which turned out very differently from that of her beloved heroine Jo March. In Louisa May Alcott, Susan Cheever, the acclaimed author of American Bloomsbury, returns to Concord, Massachusetts, to explore the life of one of its most iconic residents. Based on extensive research, journals, and correspondence, Cheever's biography chronicles all aspects of Alcott's life, from the fateful meeting of her parents to her death, just two days after that of her father. She details Bronson Alcott's stalwart educational vision, which led the Alcotts to relocate each time his progressive teaching went sour; her unsuccessful early attempts at serious literature, including Moods, which Henry James panned; her time as a Civil War nurse, when she contracted pneumonia and was treated with mercury-laden calomel, which would affect her health for the rest of her life; and her vibrant intellectual circle of writers and reformers, idealists who led the charge in support of antislavery, temperance, and women's rights. Alcott's independence defied the conventional wisdom, and her personal choices and literary legacy continue to inspire generations of women. A fan of Little Women from the age of twelve, and a distinguished author in her own right, Cheever brings a unique perspective to Louisa May Alcott's life as a woman, a daughter, and a working writer.

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. THE COMPLETE WORKS OF LOUISA MAY ALCOTT: Novels, Short Stories, Plays & Poems (Illustrated Edition)

Louisa May Alcott: Little Women, Little Men, Jo's Boys (LOA #156)

Louisa May Alcott (1832-1888) is arguably the most widely read 19th-century American author. She has long been a staple of children's literature courses, and her works now also receive significant attention in American studies and women's studies classes. This reference collects in a comprehensive and reliable single volume the most important facts about Alcott's life and works. It surveys the basic biographical details of her family and personal life; it supplies essential information on her historical and cultural contexts, including her place in the 19th-century publishing milieu, various reform movements, and major historical events, such as the Civil War; and it treats her writings, both the adult and children's works, in an accurate, informative, and accessible manner.

Differentiated book- It has a historical context with research of the time-Louisa May Alcott (Germantown, Pennsylvania; November 29, 1832 - Boston, Massachusetts; March 6, 1888) was an American writer, recognized for her famous novel Little Women (1868). Committed to the abolitionist movement and suffrage, she wrote under the pseudonym of A. M. Barnard a collection of novels and stories dealing with taboo subjects for the time such as adultery and incest.Her parents were Abigail ("Abba") May and the transcendentalist educator, writer, and philosopher Amos Bronson Alcott, linked to abolitionism, women's suffrage, and educational reform. Louisa had three sisters, Anna, Lizzie, and Abba May. His brother Dapper died while still a child, growing up and living in New England. The four sisters were educated in their own home by their father, while receiving visits from illustrious neighbors such as Nathaniel Hawthorne, Henry David Thoreau, Theodore Parker, Margaret Fuller or Ralph Waldo Emerson.At an early age, to help her family financially, she began to work sporadically as a teacher, seamstress, governess and writer; his first book was Flower Fables (1855), made up of stories originally written for Ellen Emerson, daughter of Ralph Waldo Emerson.

The Louisa May Alcott Encyclopedia

This carefully crafted ebook: "Civil War Memoirs of Louisa May Alcott (Unabridged)" is formatted for your eReader with a functional and detailed table of contents. The edition is a compilation of sketches, memoirs and letters Louisa May Alcott sent home during the weeks she spent as a volunteer nurse for the Union Army during the American Civil War in Georgetown. While serving as a nurse, Alcott wrote letters to her family in Concord. At the urging of others, she prepared them later for publication. The narrator of the stories was renamed Tribulation Periwinkle but the sketches are virtually authentic to Alcott's real experiences. Louisa May Alcott (1832-1888) was an American novelist and poet best known as the author of the novel Little Women (1868) and its sequels Little Men (1871) and Jo's Boys (1886). Alcott was an abolitionist and a feminist.

Raised among the New England Transcendentalists in Concord and Boston, Ms. Alcott grew up among some of the giants of American literature and history, including Emerson and Thoreau. However, her philosopher father Bronson Alcott was often unable to financially support his family, and Ms. Alcott devoted most of her life to giving her altruistic mother, her father and her sisters some financial security. During the Civil War, Ms. Alcott volunteered to nurse soldiers in Washington, D.C. but she became seriously ill after 6 weeks and never recovered her health, although that didn't stop her from working 14 hour days, writing, writing, writing. After the first volume of Little Women was published, editors began soliciting her work and paying her much higher rates. She kept right on working and was able to realize her dream of supporting her family in comfort and assisting others. Published in 1889 a year after her death, Ms. Alcott's letters and the journal supplemented with the editor's comments form a virtual autobiography, which reflects her idealism, integrity, humor and practicality. Sadly, she had most of the letters she wrote to her family destroyed (she also edited her journal), but the letters from her European trip with her sister were inadvertently saved by her father and are delightful. "I am in the garret with my papers round me, and a pile of apples to eat while I write my journal, plan stories, and enjoy the patter of rain on the roof, in peace and quiet." April 1855-age 22

Louisa May Alcott, Her Life, Letters, and Journals

LOUISA MAY ALCOTT HER LIFE LET

She wrote some of the most beloved stories of all time-Little Women and Little Men-and some sensationalistic (but lesser known) potboilers that still thrill: A Long Fatal Love Chase, Pauline's Passion and Punishment, and others. Novelist Louisa May Alcott (1832-1888) is an American treasure, one of the best known novelists of the 19th century and an essential figure in the literature and the social movements (early feminism; abolition) of her day. This early biography, by American writer EDNAH DOW LITTLEHALE CHENEY (1824-1904) and first published in 1888, explores and gives context to Alcott's works through the prism of her life and her experiences. From her poverty-stricken childhood in Concord, Massachusetts to her time as a nurse for the Union Army during the Civil War to her travels in Europe, this is an intimate look at Alcott's life, told in part through her own words. As a contemporary of Alcott, Cheney brings a perspective that no future biography could add, making this an endlessly valuable addition to our understanding of an important writer.

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Alcott was an abolitionist and a feminist. "Little Women" is a semi-autobiographical account of the author's childhood with her sisters in Concord, Massachusetts. "Good Wives" followed the March sisters into adulthood and marriage. "Little Men" detailed Jo's life at the Plumfield School that she founded with her husband Professor Bhaer. "Jo's Boys" completed the "March Family Saga".

Bloemensprookjes van Tante Jo

Louisa May Alcott

Louisa May Alcott; Her Life, Letters, and Journals

Excerpt from Louisa May Alcott: Her Life, Letters, and Journals Miss Alcott revised her journals at different times during her later life, striking out what was too personal for other eyes than her own, and destroying a great deal which would doubtless have proved very interesting. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

This early work by Louisa May Alcott was originally published in 1889 and we are now republishing it with a brand new introductory biography. Published a year after Alcott's death this is a truly unparalleled collection of her personal correspondence and a fascinating insight into the character and thoughts of this much loved author.

The beloved March family trilogy—presented in one “single, beautifully crafted volume” featuring original illustrations (John Matteson, Pulitzer Prize–winning author) From the incidents of her own remarkable childhood, Louisa May Alcott fashioned a trilogy of novels that catapulted her to fame and fortune and that remain among the most beloved works in all of American literature. Here, in an authoritative single-volume edition restoring Alcott’s original text as well as her sister May (the original of Amy)’s illustrations, is the complete series. Set in a small New England town during the Civil War and Reconstruction, Little Women introduces Alcott’s remarkable heroines, the March sisters—above all, her alter ego Jo March, with her literary ambition and independent spirit. The follow-up, Little Men, follows Jo into adulthood and marriage as she finds herself the caretaker of a houseful of rambunctious children at Plumfield School. Jo’s Boys returns to Plumfield a decade later; now grown, Jo’s children recount adventures of their own. At once heartwarming and true to life, Alcott’s novels will continue to win over readers both young and old, as they have for generations. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation’s literary heritage by publishing, and keeping permanently in print, America’s best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

Including Letters, Hospital Sketches & Biography of the Author - Autobiographical account of the author from the time she worked as a volunteer nurse for the Union Army during the American Civil War

Louisa May Alcott, Her Life and Letters, and Journals

Louisa May Alcott: Her Life, Letters, and Journals

Onder Moeders Vleugels

Donder en Bliksem waren al dien tijd in Italië geweest, en zij kwamen ook in ongelegenheid. Hun moeder had de tweelingen opgesloten in een vulkaan, om hen tot den zomer van de baan te houden: want dan zouden zij weer nuttig zijn. Daar beneden vonden zij speelmakertjes, die hen behaagden, en hadden zij een vroolijken

tijd: zij stoeiden en kookten en rommelden, en zonden golven heete lava en asch naar boven, om de lieden in den omtrek te verschrikken. Dit verveelde hen ten laatste en toen beraamden zij het plan, om een aardbeving te doen ontstaan en daarbij zelven de vlucht te nemen. Zij schopten en traptten dus, als kinderen, die

onder de dekens een beenengevecht houden, en de aarde dreunde ervan. Het vuur raasde, Donder rommelde en Bliksem vloog op en deed pogingen om het deksel van den vulkaan af te werpen. Ten laatste gelukte dat, en zij stormden naar buiten met zulk een vreeselijk lawaai, dat de arme menschen het einde der wereld nabij

waanden. Steden werden verwoest, heuvels werden verplaatst, de zee stroomde landwaarts in, asch en steenen bedekten een geheele landstreek en vernieling en wanhoop heerschten overal.
