*The range of the book: from wartime England to colonial Assam; from sapper training in India to jungle warfare in Malaya – Tea, Love and War tells the unique true story of the child of an exploited village woman gaining recognition and acceptance in suburban England. It is split into three parts: Stuart and Mary's story, David's story, and Ann's story. Stuart, working on a tea estate in the jungles of Assam, fathers a child by a teenage native woman. Stuart's letters to his family in pre-war England vividly describe his life as a planter in colonial India but conceal his secret love life. When war breaks out, Stuart joins the Indian army, trains as a sapper and is posted to Malaya, blowing bridges in the desperate rearguard action against the Japanese invasion. Back in wartime England, his sister Mary marries Stuart's best friend, Arthur, who decides to train as an army officer. Mary, now a young mother pregnant with her second child, tells of the year's delay in hearing news of her brother's death at the fall of Singapore. Before the child is born, she learns that Arthur has been killed in action in Italy. The story switches to a jungle village in Assam where a small Anglo-Indian child named Ann fights her way through poverty and discrimination, always seeking the identity of her father and his family. Tea, Love and War is a gripping true story, narrated by Mary through her son David. "Much of the text is taken from the many exercise books that she filled with her memories, and whilst my investigations have expanded and updated her story, the history of the relevant elements of the Second World War, the Blitz and public perception of the Malayan campaign leading to the fall of Singapore are more eloquently seen from her individual viewpoint." The book will appeal to fans of autobiographies, history and social history – Anglo-Indian culture and exploitation of women in India are key themes in the text – and has been inspired by Wild Swans.*

*When their mother is lost in a terrible car crash, two children set out to bring her back from the Underworld - a nightmare place populated by remnants from old mythologies, defunct pantheons, and forgotten folklore. Along the way, the children discover that they cannot rescue their mother without rescuing themselves first. Sometimes frightening, sometimes funny, and often heartbreaking, "Assam & Darjeeling" tells the story of a brother and sister who have to go through hell together in order to learn the true meaning of family.*

***India is the largest film producing country in the world and its output has a global reach. After years of marginalisation by academics in the Western world, Indian cinemas have moved from the periphery to the centre of the world cinema in a comparatively short space of time. Bringing together contributions from leading scholars in the field, this Handbook looks at the complex reasons for this remarkable journey. Combining a historical and thematic approach, the Handbook discusses how Indian cinemas need to be understood in their historical unfolding as well as their complex relationships to social, economic, cultural, political, ideological, aesthetic, technical and institutional discourses. The thematic section provides an up-to-date critical narrative on diverse topics such as audience, censorship, film distribution, film industry, diaspora, sexuality, film music and nationalism. The Handbook provides a comprehensive and cutting edge survey of Indian cinemas, discussing Popular, Parallel/New Wave and Regional cinemas as well as the spectacular rise of Bollywood. It is an invaluable resource for students and academics of South Asian Studies,***

***Of the many enduring fascinations of the love story, a vehicle for the vicarious satisfaction of our hidden desires and obscure longings, is the pleasure we take in its subversion of the conventions that govern the relationship between the sexes. At least, this is true of tales about young lovers who are believed to express the purest of romantic sentiments. This book is a compilation of classic Indian Love Stories.***

The roots of the 'Ram katha' are rooted very deep and its branches and subbranches are spread across the nook and corner of country with slight amount of homologous disparity, Ram katha has its deep penetration across the continent of Asia. It covers a vast empire of the entire Asian population. In his research thesis, decades ago, Father Camille Bulcke has proved that Ram katha is not only an Indian fiction but also is an International one as well. This extension of Ram katha was referred to as 'Digvijay of Valmiki' by father Camille Bulcke. The roots of this legend dates back to the 4th century BC. But it is inaccessible due to being confined in the oral tradition. Ram katha finds its place in the Jataka tales, by considering Rama as the 'Bodhisattva'. Inspired and influenced by Valmiki, Ram katha adaptations are found in different languages of India. Its clear impression is also found in the nonliterary arts of the

country and abroad. Ram katha's illustrations are found on the paintings and sculptures of Sri Lanka, Java, Sumatra, Cambodia etc. In Mauritius when our ancestors were punished with black water; it was the narration of Ram katha (Ramayana) in the evening that relieved them from despair and depression of the whole day's hard work. Ramayana was a tranquilizer for them. This life saving tale needs to be revived, in order to deal with the mental and economic imperialism of present times. Through discussions and discourse, the lamp of Rama's name can be lighted in the threshold of every human heart...

*subjugate Assam in 1533-34. She took a decision to face the invading army after her husband Frasengmung Borgohain became a martyr fighting with the same invaders. Her participation galvanized the Assamese Army to defeat the Mughals and the leader of the invaders, Turbak Khan was killed by her stepbrother, Konseng Borpatra Gohain. Her son, Ton Kham also took part in this battle. The novel also describes the heroics of Sati Sadhani, the last Chutiya Queen and Kachari Prince, Detcha who were defeated by Frasengmung Borgohain in two separate battles. The novel also refers about Rani Gaidinlu while legacy of Mula has been shared with the readers.*

*A former militant is unable to reconcile his tranquil domesticity with his brutal past. A mother walks an emotional tightrope, for her two sons -- a police officer and an underground rebel -- fight on opposite sides of the Assam insurgency. A deaf and mute child who sells locally brewed alcohol ventures into dangerous territory through his interaction with members of the local militant outfit. How to Tell the Story of an Insurgency is an unflinching account of a war India has been fighting in the margins. Written originally in Assamese, Bodo and English, the fifteen stories in this book attempt to humanize the longstanding, bloody conflict that the rest of India knows of only through facts and figures or reports in newspapers and on television channels.*
