youth? How can kids benefit from increased use of technology in physical education? These questions and others are answered in this volume of the series Educational Policy in the 21st Century: Opportunities,

File Type PDF Microsoft Powerpoint Flyer Template

Challenges, and Solutions. An entire generation is growing up without the benefits of daily physical activity. The daily experiences of our children are centered on the use of technology driven, mostly

File Type PDF Microsoft Powerpoint Flyer Template

sedentary, activities. Technology should be considered a viable tool that can increase physical activity levels when implemented effectively. The lack of contemporary programs and strategies that motivate

File Type PDF Microsoft Powerpoint Flyer Template

participants to want to participate daily in physical activity has created a culture of inactivity and obesity and is having a profound effect on the physical health and academic learning potential of today's youth. In this volume the
