A Bonanza/Civil War Novel

Lincoln's haunted by ghosts of dead soldiers and Hoss is in "love," what Hop Sing calls an unhealthy obsession. Adam's missing, Joe thinks Ben is dead and Ben follows the trail of a slave's suspicion that Lincoln is a traitor. In a departure from FELLING OF THE SONS, MYSTIC FIRE separates the Cartwrights into four misadventures, involving Lincoln, Mark Twain, slavery, greed, and Victorian Spiritualism. A Civil War-impacted adventure that tears the Cartwrights apart even as they try to cling together, demonstrating that in the Civil War, there were more than two sides to every battle.

Kahneman neemt de lezer mee op een ontdekkingsreis door de krochten van ons brein in dit zeer toegankelijke boek (...). Hij presenteert theorieën, lepelt verrukkelijke anekdotes op, (en) onderwerpt de lezer aan testjes.' ***** De Volkskrant Daniel Kahneman, een van belangrijkste psychologen ter wereld, ontving de Nobelprijs voor de Economie voor zijn invloedrijke werk dat het traditionele rationele beslissingsmodel ter discussie stelde. Zijn gedachtegoed heeft diepgaand effect gehad op vele terreinen - onder andere economie, psychologie en politiek - en nu geeft hij in één boek een overzicht van al die jaren onderzoek en wetenschap. 'Een verbazingwekkend rijk boek: helder, diepgravend, vol verrassende inzichten en waardevolle zelfhulptips. Het is altijd gemakkelijk en af en toe zelfs ontroerend, met name als Kahneman zijn samenwerking met Tversky memoreert. (...) Iedereen moet dit kopen en lezen.' New York Times Book Review

From the Civil War's Boy General to the Battle of the Little Bighorn

Publication of the Association of College and Research Libraries, a Division of the American Library Association

An extensive, in-depth biography of Custer that covers his lesser-known personal history as well as his military career. The reader is introduced to a little-known side of Custer—a deeply personal side. George Custer grew up in an expanding young country, and his early influences mirrored the times. Two aspects of this era dominate most works about him: the Civil War, and the war with the Indians, culminating in his death at the Battle of the Little Bighorn. When mentioned, if at all, his early life and years as a cadet at West Point are brief, and then only enough to set some background for discussion of the mystery of the Little Bighorn. This is the first Custer biography to focus on these lesser-known parts of his life in great detail. The approach uses all of Custer's known writings: letters; magazine articles; his book, My Life on the Plains; and his unfinished memoirs of the Civil War; along with materials and books by his wife, Elizabeth Custer; and reflections of others who knew him well. The five chapters are Early Life (growing up and as a West Point cadet), The Civil War, The Indian Fighter, The Little Bighorn, and Conclusion. The theme of the book is not so much new historical information but the depth of his character development and lesser-known influences of his life. Custer draws together these elements in a succinct and accessible read. The book also includes illustrations (primarily from Harper's Weekly) and photos, such as Matthew Brady's Civil War collection, to accompany the text. Praise for Custer "Ted Behncke and Gary Bloomfield remain faithful to the facts and enable the reader to better grasp the man as he was and the one he envisioned. Custer's personalities, beliefs and actions, or lack thereof, weave through each chapter, amid a lively and readable writing style that interlaces quotes and sources within the text." —Roundup Magazine

Lincoln's war comes to the Ponderosa when "runaway slaves" come to Nevada for help. They don't want to be sent to other countries. Adam is kidnapped with one by slavers, and Ben takes the trip to New Orleans with others to talk to Lincoln. Hoss comes to the rescue of a woman who insists her husband is trying to kill her, but Hop Sing thinks she's already dead. And Joe, with Ben and Adam missing, has to deal with cattle thieves alone. The Civil War splinters the country -- and the Cartwrights.

thinking, fast and slow

The first comprehensive overview of an important genre of American art, Souls Grown Deep explores the visual-arts genius of the black South. This first work in a multivolume study introduces 40 African-American self-taught artists, who, without significant formal training, often employ the most unpretentious and unlikely materials. Like blues and jazz artists, they create powerful statements amplifying the call for freedom and vision.

LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. They have free access to share, print and post images for personal use.

Jon Roberts werd geboren als de telg van een Godfatherachtige maffiafamilie en was al op zijn zevende getuige van zijn eerste moord. Als jeugddelinquent en bendelid krikte hij de misdaadcijfers in New York flink op. Om een lange gevangenisstraf te ontlopen ging hij naar Vietnam, waar hij als lid van een elite-eenheid gerichte moorden uitvoerde. Later boekte hij in New York successen als promotor van nachtclubs. Toen de grond hem te heet onder de voeten werd, vluchtte hij naar de zon van Miami, waar hij logistieke zaken ging regelen voor het Medellín-kartel. Hij werkte voor de legendarische Pablo Escobar en was medeverantwoordelijk voor een aantal ingenieuze smokkelpraktijken. In zijn met traangas en mortieren beschermde stadfort was 'de Bebaarde Gringo' nagenoeg onaantastbaar voor vijanden en voor de politie. Zijn leven nam een bizarre wending toen ook hooggeplaatste politici en de CIA gebruik gingen maken van zijn talent om zaakjes voor elkaar te krijgen.
