About the Author: Sara Tyler has taught languages since 2010, in bilingual schools, corporations, language centers, and online. She has a B.A. Degree in English Language Learner Studies and 2 M.A. Degrees. The first is in Educational Technology, and the second in Curriculum and Instruction. As a mother and a teacher, she enjoys raising her 2 daughters in a bilingual, bicultural environment. Her experiences living abroad, throughout Mexico and Central America, and her family life, inspire the books, materials, and activities that she produces. She has taught over 2,000 students and 10,000 hours online since 2014. In addition, she specializes in training transitioning online teachers in the best practices, most engaging strategies and helpful tools for their classes. Currently, Sara and her family live in Playa del Carmen, Mexico. Her husband, Carlos Montero, is also an online Spanish teacher. He is the biggest fan of her curriculum and strategies, as he knows first-hand how they work...because he has to test them in English!
