### Royal Priesthood English Edition

**Jesus Christ, through His priestly ministry, provided salvation unto all men. Those who receive Him, of both Jew and Gentile, become members of His family. Under the Old Covenant, the priesthood belonged to Aaron and his sons. Since believers, by faith, are part of Christ's family line, they receive the ministry of the priesthood also. In the pages of this study, we**

Readers will discover that it is not possible to disengage John Howard Yoder's practice of ecumenical dialogue from his vision of the church. Yoder's approach to ecumenical dialogue correlates with his conception of the faithfulness of the church. His vision of the church poses challenges for Christians of all communions because he calls both for disciplined dialogue and for faithful servanthood that renders the confession of Jesus Christ's lordship

## Where To Download Royal Priesthood English Edition

meaningful. This collection of 17 essays on themes ecclesiological and ecumenical is intended to demonstrate the substantial unity of Yoder's work over the past four decades. Many of these essays are often cited by researchers but have been till now unobtainable. Three of these texts have never been published before. Editor Michael Cartwright has contributed a substantial introduction on the "Yoderian" project, and a select bibliography prepared by Mark Nation catalogs Yoder's writings--published and unpublished--on ecclesiology and ecumenism.

A noted biblical scholar explores how the claim of divine choice has been used from ancient times to the present

## Where To Download Royal Priesthood English Edition

to justify territorial expansion and prejudice. The Bible describes many individuals and groups as specially chosen by God. But does God choose at all? Michael Coogan explains the temporally layered and allusive storytelling of biblical texts and describes the world of the ancient Near East from which it emerged, laying bare the power struggles, the acts of vengeance, and persecutions made sacred by claims of chosenness. Jumping forward to more modern contexts, Coogan reminds us how the self-designation of the Puritan colonizers of New England as God's new Israel eventually morphed, in the United States, into the self-justifying doctrines of manifest destiny and American exceptionalism. In

## Where To Download Royal Priesthood English Edition

contemporary Israel, both fundamentalist Zionists and their evangelical American partners cite the Jews' status as God's chosen people as justification for taking land—for very different ends. Appropriated uncritically, the Bible has thus been used to reinforce exclusivity and superiority, with new myths based on old myths. Finally, in place of the pernicious idea of chosenness, Coogan suggests we might instead focus on another key biblical concept: taking care of the immigrant and the refugee, reminding the reader of the unusual focus on the vulnerable in both the Hebrew Bible and New Testament.

*believers is a pillar undergirding Protestant ecclesiology. Yet the doctrine has often been used to serve diverse agendas. This book examines the doctrine's canonical, catholic, and contextual dimensions. It first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of Christ and closely related to the believer's eschatological temple-service and offering of spiritual sacrifices (chapters 1-3). It secondly describes its*
