

## Scooter Boys Two Finger Salute

When best friends Tai and Mila are reunited after a summer apart, their friendship threatens to combust from the pressure of secrets, middle school, and the looming dance auditions for a new talented-and-gifted program. Fans of Renée Watson’s Piecing Me Together will love this memorable story about a complex friendship between two very different African American girls—and the importance of speaking up. Jamila Phillips and Tai Johnson have been inseparable since they were toddlers, having grown up across the street from each other in Pirates Cove, a low-income housing project. As summer comes to an end, Tai can’t wait for Mila to return from spending a month with her aunt in the suburbs. But both girls are grappling with secrets, and when Mila returns she’s more focused on her upcoming dance auditions than hanging out with Tai. Paula Chase explores complex issues that affect many young teens, and So Done offers a powerful message about speaking up. Full of ballet, basketball, family, and daily life in Pirates Cove, this memorable novel is for fans of Ali Benjamin’s The Thing About Jellyfish and Jason Reynolds’s Ghost.

In 1933, Bella Stuart leaves her quiet London life to move to Italy to tutor the child of a beautiful Jewish heiress and an elderly Italian aristocrat. Living at the family's summer home, Bella's reserve softens as she comes to love her young charge, and find friendship with Maestro Edward, his enigmatic music teacher. But as the decade draws to an end and fascism tightens its grip on Europe, the fact that Alec is Jewish places his life in grave danger. Bella and Edward take the boy on a terrifying train journey out of Italy - one they have no reason to believe any of them will survive...

New York Times bestselling author Emily March brings her "unique charm and delightful sense of humor" (Romantic Times) to heat up the Scottish highlands in this laugh-out-loud sequel to her delicious Simmer All Night. She needs a ghost, not a groom... Of all the castles in all of Scotland, it's Gillian Ross's bad luck to live in one that isn't haunted. The ancestral home must be sold, but the single interested buyer requires a wraith in the rafters. With her family in danger, Gillian will do anything to protect them, so she dons a disguise and sets out to haunt her home herself. Her plan might have worked, had her first tantalizing target not revealed more than she bargained for... He'd rather be dead than wed. Handsome as the devil but with a scoundrel's heart, Jake Delaney has come to Rowanclere Castle to locate a missing historical treasure, not a wife. When a gorgeous "ghost" visits his bedchamber, his curiosity--among other things--is aroused. Unaware that his probing might lead to both mayhem and marriage, he vows to discover her secrets before leaving the Highlands. His plan might have worked, too, had he not been haunted by visions of a seductive Scottish sprite and the dream that man's castle could somehow become his home.

Zoe Johnson spent most of her life living in the shadows, never drawing attention to herself, never investing in people or places. But when a wide-eyed, bedraggled teenager with no memory walks into the diner where Zoe works, everything changes. Now, against her better judgment, Zoe, who has been trying to outrun her own painful memories of the past, finds herself attempting to help a girl who doesn't seem to have any past at all. The girl knows only one thing: she must reach a woman in Corpus Christi, Texas, hundreds of miles away, before the government agents who are searching for her catch up to them. Award-winning author Rachelle Dekker throws you into the middle of the action and keeps the pressure on in this page-turning story that, asks Are we who the world says we are--or can we change our story and be something more?

Churchgoers

Kemlo and the Zombie Men

7 Weeks on the Road

Reaching Out to a Broken World

Bad Luck Abroad Trilogy, Book 2

Linnea Larson is willing to do anything to keep her family's Minneapolis dinner theatre from going under. Anything, that is, besides accepting a date from the Hollywood hunk hired to inject a dose of star power into their production of Guys & Dolls. It's a toss up whether his greatest claim to fame is playing a superhero on screen, or a super stud off screen. Neither fact convinces her he's got what it takes to share her stage. Luke Powell has fame, fortune, and an endless string of women, but also a lingering dissatisfaction with his picture perfect life. Looking for a change, he escapes to his theatrical roots. What he finds are wary cast mates, a nervous best friend convinced the show will ruin Luke's career, and an adorable costar who stubbornly refuses to go out with him. Suddenly singing and dancing aren't the only challenges he'll tackle over the summer. Despite Luke dragging her into his daily paparazzi nightmare, Linnea can't deny her mounting attraction to his irresistible charm. And even if she's crazy enough to chance getting involved, their fling would have a guaranteed expiration date. He's headed back to Hollywood at the end of the run, and she's tied to her family's theatre. Why risk the inevitable heartbreak? Their job is to act like they're in love, but will they decide it's worth the leap to fall in love for real?

As Kartin says, 'You can't have houses in space.' What then are those mysterious objects that have suddenly appeared far out on the planet routes? What connection do they have with 'the Shy Six Hundred', as Kemlo calls them, those strange, Earth-born visitors to Satellite K who are so chary of having their photographs taken? Kemlo and his Space Scouts decide that the time has come for a little detective work and the boys are soon hot on the trail - a trail which is to lead them from the comfort and security of the satellite to a battle to the death twenty million miles out into the void.

When Morgan's father is executed for a gangland deal that goes wrong, he soon finds out that being connected to the underworld is not what it should be. With the mafia on his trail to seize his fathers assets and the police wanting him for questioning and to expose his fathers underworld connections it can only be a matter of time before he's caught or worse ends up dead. A fast paced thriller with a Greek Connection full of twists and turns and a heart thumping finish.

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

Resurgence

*Reagan Summerside returns in national bestselling author Duffy Brown's fifth Consignment Shop mystery, now for the first time in hardcover. There are two social functions in Savannah guaranteed to get people talking: weddings and funerals. And just as consignment shop owner Reagan Summerside agrees to marry the hunky Walker Boone, her neighbors, sisters Annie Fritz and Elsie Abbot, step up their business as professional mourners. They are so successful that the Sleepy Pines Retirement Center has hired them as a part of their retirement package. But the celebration over good business is cut short when the residents at Pines suddenly begin dying at an alarming rate. And the sisters are the first suspects. Reagan has her doubts, however, and begins to look into the strange phenomenon. But then something even stranger happens: a body winds up in the sisters' pink Caddy. The evidence begins to pile up and the suspicious case of Willie Fishbine, who swindled the sisters out of a fortune and coincidentally died prior to the Pines case, is reopened. Not wanting Willie to be buried until they can find the killer responsible for the murders, Reagan must catch the culprit in time to walk down the aisle. Witty, fabulous, and full of charm, Lethal in Old Lace is perfect for fans of Ellery Adams and Jenn McKinlay.*

*"No more watching from the sidelines for Twyla Nightingale: her feet are firmly on the dance floor! She won't let anyone sour the delicious taste of freedom--especially not Forrest Reynolds, back in town after all this time. Forrest didn't expect a warm welcome from the Nightingale sisters, not after their lives had been so dramatically upturned. But seeing the challenge in Twyla's eyes, Forrest takes this rebel for a wild dance she won't forget!"--Page 4 of cover.*

*"Twelve-year-old Truly Lovejoy's family moves to a small town to take over a bookstore. Soon, she has to solve two mysteries involving a missing book and an undelivered letter"--*

*This collection includes the first three books of the Mollie McGhie sailing mystery series. Check out this fun cozy mystery series with plenty of goofy humor, an adorable cat, and a reluctant sailor turned amateur sleuth. You'll laugh out loud from start to finish following Mollie McGhie's sailing adventures. Spoiler alert: You'll seriously be craving chocolate by the time you finish reading! Book 1 – Murder at the Marina What would you do if your hubby got you the worst anniversary present ever? When Mollie's husband, Scooter, presents her with a dilapidated sailboat for her anniversary, she's less than impressed. When she discovers a dead body on board, things get even worse. Poking her nose in where it doesn't belong, Mollie finds herself drawn into the tight-knit community living at Palm Tree Marina in Coconut Cove, a small town on the Florida coast. She uncovers a crime ring dealing in stolen marine equipment, eats way too many chocolate bars, adopts a cat, and learns far more about sailing than she ever wanted to. Book 2 – Bodies in the Boatyard What would you do if your hubby announced that he wanted to sell your house, do some serious downsizing, and move onto a rundown sailboat? Scooter's latest hare-brained scheme to move on-board their boat isn't exactly Mollie's dream come true. When someone is murdered in the boatyard, it becomes a total nightmare. Mollie takes matters into her own hands and investigates the mysterious death along with her adorable feline companion, Mrs. Moto. While she searches for clues, she meets more of the quirky characters who live in Coconut Cove, learns about sea turtles, overcomes her fear of public speaking, and, of course, eats way too many sugary treats. Book 3 – Poisoned by the Pier What would you do if your hubby decided that the two of you should go on an extreme diet? Mollie thought she had enough problems to deal with when her husband threw out all of her chocolate and junk food. But when someone is poisoned during a cake baking competition, she's thrust into another murder investigation. While she tries to identify the killer, Coconut Cove's annual boating festival is in full swing. In between getting ready for her first sailing race and cheating on her diet, Mollie and her cat, Mrs. Moto, uncover clues, interview suspects, and do their best to avoid rutabagas.*

*Last Train from Liguria*

*A Gripping Crime Mystery Full of Twists*

*Hurt Healer*

**Jack Henderson, a star basketball player, has it all. Loving mother, Mary Lou, is a great musician, father, Sam, a local hero. But when Jack starts high school, Mary Lou disappears. Diagnosed a paranoid schizophrenic, she spends Jack's adolescence on the run, escaping imagined tormentors. Confined to a mental hospital, then released home, she skips her medication and the cycle repeats. By Jack's senior year, love of music and basketball intertwine as mother and son seek solace within the transcendent moments yielded by their twin passions. Set in the late 1970's in basketball crazy Illinois, "Transcendental Basketball Blues" brings to life the post-Vietnam, post-Watergate days where racial integration took tentative first steps, stagflation simmered, disco fever raged and Top 40 radio ruled. Yet the themes of love, forgiveness, humor in the face of hopelessness and acceptance of others for who they are ring true for readers from all eras.**

**Intellectual Dr. Mitchell Chandler and Pastor Randy, former heavy metal rock musician and currently head of a local evangelical collective, discuss science, faith, physics, and metaphysics in the small Midwestern town of Prairie Grove.**

**Ours is a generation of brokenness. Personal and global strife has led many to question the existence of a loving God--or of a God at all. Drawing from his own story of brokenness and redemption, evangelist Tony Nolan wants to change all that. In this stirring call to walk the talk, Nolan calls on Christians to be modern-day Good Samaritans, not so they can pat themselves on the back, but so that they can model the love of Christ in a hurting world. From the foreword by Johnny Hunt: "If there was ever a generation or a time in history when people were in need of hope, it is now. This book has the potential to touch a generation not only in America but literally all over the world as we consider that the deepest need, the deepest hurt, and the deepest wounds can only be healed in the person of the Lord Jesus Christ."**

**In this book of aphoristic philosophy, diagrams are sometimes used to delineate and elucidate complex philosophical propositions which would otherwise lack linear perspective or schematic definition, but the text remains by and large self-explanatory as it grapples with a variety of quadruplicities having some connection with a presumption of antitheses between materialism and idealism on the one hand, and naturalism and realism on the other. Hence the title 'From Materialism to Idealism'.**

**Sandbridge Box Set**

David Shafer’s acclaimed Whiskey Tango Foxtrot: A brilliant, visionary and deeply human cyber-thriller Deep in the forest near Burma's border with China, a young woman sees something she wasn't supposed to see. In Portland, Oregon, a troubled young man crashes his bicycle o In New York, a famous self-help author goes on daytime TV - and suddenly conceives 'a book that would take him beyond talk shows'. What connects these three people - though they don't know it yet - is that they have come to the attention of the Committee, a global cabal t of their will, in their different ways, come to take part in the secret resistance struggle spearheaded by a scarily clever hacktivist collective - a struggle built on radical politics, classic spycraft and eye-popping technology. Along the way, they are forced to confront their own d the meaning of love, family, friendship and community. Whiskey Tango Foxtrot is at once a page-turning thriller, a deeply absorbing psychological novel, and a visionary exploration of the possibilities and hazards of our online lives. 'A paranoid, sarcastic and clattering pop thriller t damp pages of Glenn Greenwald's fever journal ... Reading [Shafer's] prose is like popping a variant of the red pill in The Matrix: everything gets a little crisper' New York Times 'Genius techno-thriller à la Neal Stephenson, powered by social-media info-conspiracy à la Dave Eggers' modern hybrid of techno-thriller and psychodrama that bristles with wit and intellect' Maggie Shipstead, author of Seating Arrangements 'A fine example of what happens when big, brainy ideas are successfully mated with good old-fashioned plot thrust ... The next time the Fict novels deserve a place in popular culture, the constant reader might well cite this book as Exhibit A for the defence' Irish Times 'Exciting, funny, moving and thought-provoking' Irish Independent

The way I remember it. Barb and her sister Kitty leave husbands home and take their collective gaggle of eight young children from Florida and Mississippi all the way to California for their summer vacation. These two thirty-something moms and their off spring wander into har

filled adventure. There is plenty of suspense and mystery, there's witch craft and UFO's, western folk lore and even a little romance along the highway as they camp across America in a homemade camper in the summer of 1975. Things were different then.

Five years ago, she left her ex and gave birth in secret. Now her ex's sexy brother has moved to town, and he wants answers. But he might just steal her heart, too. Single mother Bex Cane doesn't have time for love. It's hard enough managing three jobs and her precocious five has all the support she needs from her friends and family in Haven Bay. A man would only complicate things. But when her ex's brother moves to the area and discovers the truth about Izzy, he throws Bex's life into a tailspin. Michael Briggston never thought he'd see Bex again. Walked out of their lives. Considering how close he'd come to making a fool of himself by proclaiming his love for her when she was unavailable, he'd been happy to see the end of temptation. But now she's back in his life, and he can't help noticing that her daughter looks an av

bottom of the mystery—even if it stirs feelings he'd thought long dead. Despite their history, Bex and Michael can't resist the spark between them. But when Michael's brother arrives in the bay, can their unexpected passion survive?

'Zombies' is Krillie's name for them - although Kemlo and Kerowski explain that the men engaged in the Sonic Wave Experiment are risking their lives in the attempt to revolutionise man's powers of communication through space. Yet even the leader of the Space Scouts and his f some of the S.W.V.s under text conditions thousands of miles out in space. Perhaps after all there are stronger forces at work than the earth scientists had anticipated. Kemlo is determined to find out. But they have another problem as well. What is the mysterious weakness v

dominating figure in charge of the experiment - and can the space-born boys help him overcome it?

The Scooter Chronicles

Daybreak in Sandbridge

The mystery and triumph of Glimpses of Guruprasad lies in its delay in getting published. Meher Baba or the Compassionate Father is considered the greatest spiritual Master of this generation. He observed silence from 10 July 1925 until He dropped His body on 31 January 1969 and His spiritual work in simplicity has endeared many from all over the world. Meher Baba stayed at the palatial residence called Guruprasad at Pune where for many years, He held numerous public darshans and private meetings with His followers. Meher Baba took a keen interest in explaining the spiritual ethos behind His discourses, ghazals and quawallis sung by His lovers as well as played the part of an intimate champion concerned with the day to day happenings of His disciples.

Solid land inside a cloud of 'star dust' - where no solid land should be. And the weird voices - where are they coming from? Forced down on a minor star galaxy, Kemlo and his friends of Satellite Belt K discover a secret of Space which gives scientists information for which they have been searching for years.

Scout Brooks and his pals are starting their high school careers off just as they thought they would...not good. They are being picked on and they are finding themselves in various awkward social situations. Upon joining 'The Astro-Nog's', an after school Astronomy club ran by Professor Ed Nog, Scout finds himself thrust into a world he never thought possible. He soon discovers that Professor Nog belongs to a top secret government unit called The E.I.A. (Earth's Intergalactic Ambassadors), and they have been in an interstellar war with a race of aliens 6,500 light years away for quite some time. Filled with awkward alien encounters, quirky and nonsensical humor and a deep space rescue mission, 'The Freshman Invasion' is only the first crazy adventure in 'The Scout Brooks Story'.

Kids DO come with an instruction manual—their astrological chart. Momstrology is the complete guide to understanding how both you and your little one are guided by the stars, and how your charts play a factor in how you relate to each other. Identical twin sisters Ophira and Tali Edut, professional astrologers known as the Astrotwins, offer a modern look at astrology and parenting, and combine the two into a guide to understanding yourself, your parenting strengths and weaknesses, your little one's personality, and how you and your child can best relate to each other. Thoughtful, informative and fun, Momstrology covers every possible mom/child sign combination, and includes valuable information for dads and caregivers too.

WINNER OF THE SALTIRE SOCIETY FIRST BOOK OF THE YEAR AWARD 2017 LONGLISTED FOR THE GUARDIAN'S NOT THE BOOKER PRIZE 2018 "A profoundly affecting, intellectually challenging and beautifully written fable ...a marvellous piece of work." - Stuart Kelly, Scotsman *Goblin is an oddball and an outcast. But she's also a dreamer, a bewitching raconteur, a tomboy adventurer whose spirit can never be crushed. Running feral in World War II London, Goblin witnesses the carnage of the Blitz and sees things that can never be unseen...but can be suppressed. She finds comfort in her beloved animal companions and lives on her wits with friends real and imagined, exploring her own fantastical world of Lizard Kings and Martians and joining the circus. In 2011, London is burning once again, and an elderly Goblin reluctantly returns to the city. Amidst the chaos of the riots, she must dig up the events of her childhood in search of a harrowing truth. But where lies truth after a lifetime of finding solace in an extraordinary imagination, where the distinction between illusion and reality has possibly been lost forever? "In my opinion the best debut fiction by a Scottish author since 2012... A profoundly affecting, intellectually challenging and beautifully written fable ... a marvellous piece of work." Stuart Kelly, Scotsman "Enthralling... a captivating debut... Dundas presents us with an iconic protagonist: a powerful imaginative force who looks beyond the façade of 20th Century Britain and sees a fairy tale of lizard kings and dolls with shrews' heads." Alastair Mabbott, Herald "A captivating and capricious debut that explores with a deft hand the 'creature world' we all carry somewhere inside." Mary Paulson Ellis "Terrific ... moving. It is a celebration of freakery... a meditation on trauma and loss and abandonment ... which, somehow, is never bleak. Goblin brims throughout with a kind of reckless joy." Peter Ross, Guardian "A standout debut...sophisticated." Nick Barley, Herald Books of the Year 2017 "Confounds your expectations and enchants your sensibilities... an indelible and haunting novel." Alistair Braidwood, Scots Whay Hae "A love letter to the outcasts, rebels and underdogs ... a dazzling narrative ... Unflinching, raw and diamond bright." Megan Kenny, Disclaimer Magazine*

Scooterboys are the lost tribe of British youth culture. Unrecognised, uncelebrated and unwanted; misunderstood by a general public who mistook us for Mods. We weren't Mods though. By the 1980s myself and tens of thousands of scooter riders collectively rejected that label. Instead, we took the roadmap of British youth disaffection and carved a new bypass. This route took us beyond the UK's faded seaside resorts, allowing us to spread our creed across the continents. Tuned and customised Vespa and Lambretta scooters gave us freedom to roam; transport to live for the weekend. Shared experiences of riots, local hostility and police harassment built strong fraternal bonds that endure to this day. Despite decades of two-wheeled rebellion our threat level was never high enough to put us on the national security radar. This low profile has its benefits. We aren't doomed to follow the same cycle as Mods. First feared, then pilloried, accepted and finally adopted as part of UK's rich culture. As British as a vindaloo. The cult of Scooterboy has escaped death-by-public-acceptance, simply by remaining too underground. Too difficult to distinguish from what came before. And that's just perfect. You'll never see Scooterboys parodied in TV insurance adverts or low budget fly-on-the-walls. The poorly-rendered caricature is always some cliché Mod on a 'Christmas Tree' scooter. If you rode to rallies in the 80s and 90s then this book will mirror your experiences. If you've never had a scooter then it offers a rare glimpse of life inside the lost tribe of two-stroke terrorists.

When twentysomething reporter Miranda Kennedy leaves her job in New York City and travels to India with no employment prospects, she longs to immerse herself in the turmoil and excitement of a rapidly developing country. What she quickly learns in Delhi about renting an apartment as a single woman—it's next to impossible—and the proper way for women in India to ride scooters—perched sideways—are early signs that life here is less Westernized than she'd counted on. Living in Delhi for more than five years, and finding a city pulsing with possibility and hope, Kennedy experiences friendships, love affairs, and losses that open a window onto the opaque world of Indian politics and culture—and alter her own attitudes about everything from food and clothes to marriage and family. Along the way, Kennedy is drawn into the lives of several Indian women, including her charismatic friend Geeta—a self-described “modern girl” who attempts to squeeze herself into the traditional role of wife and mother; Radha, a proud Brahmin widow who denies herself simple pleasures in order to live by high-caste Hindu principles; and Parvati, who defiantly chain-smokes and drinks whiskey, yet feels compelled to keep her boyfriend a secret from her family. In her effort to understand the hopes and dreams that motivate her new friends, Kennedy peels back India's globalized image as a land of call centers and fast-food chains and finds an ancient place where, in many ways, women's lives have scarcely changed for centuries. Incisive, witty, and written with a keen eye for the lush vibrancy of the country that Kennedy comes to love, *Sideways on a Scooter* is both a remarkable memoir and a cultural revelation.

Scooter and Bugz are two teenage boys from the inner-city of what could be any metropolis in the US. These teenagers are granted the opportunity to meet their idol: a rapper by the name of Talent. Talent grew up in the same neighborhood as the two youngsters, and he has come to give back to his community. Before he leaves, he instills in the two teens the principle of O.P.D. Talent tells them that in order to achieve success and escape their negative surroundings, they need to learn what O.P.D. is and how to apply it. He gives them each a monetary gift and tells them to be wise and responsible with what he gives them. On their journey, the boys learn the meaning of loyalty, love, and perseverance. Both young men discover that success isn't an easy road and that every true hero must embark on such a journey. True success is more than a notion; it requires Organization, Planning and Discipline.

All three books in the popular Sandbridge M/M romance series by Elizabeth L. Brooks and Lynn Townsend are now available in one box set! Contains the stories: Nights in Sandbridge: Andy's made a habit of running away -- he ran away from his abusive father, and then several years later, he ran away from his manipulative boyfriend. He thinks he might have found a home in Sandbridge with Scooter, but when trouble rears its ugly head, will Andy run away yet again? Daybreak in Sandbridge: Scooter's life is definitely on the upswing: his business is successful and he's engaged to the most amazing man he's ever met. But when Andy is called home to attend his dying father, Scooter is forced to realize that he knew less than he thought about Andy's past. How can Scooter compete with the sizeable fortune Andy is set to inherit or the lovely and stylish girl Andy left behind? High Noon in Sandbridge: Life takes a sudden turn for Scooter and Andy when Scooter's sister meets an untimely end and they're suddenly guardians to a niece they've only met a handful of times. Billie is stubborn and hot-tempered and not remotely interested in making a life in the one place that her mother had sworn never to return. Will she ever learn to call Docksides and Sandbridge home?
