Mixed Media Art Storytelling With Powerful Results! Storytelling Art Studio is the guide that will show you how to create mixed media art that tells impactful stories. It's a creative guide for mining your own life to manifest imaginary worlds, emotional narratives and clever characters. Each chapter presents a new subject--you may paint a tree, collage a landscape or use sgraffito to create a scene. You will begin with inspirational warm-up exercises, then learn how to do it with a step-by-step demonstration and even get to see alternate versions of the piece that explore the magic and impact of different choices. Perfect for you no matter what your skill level or style, this guide does not have to be read in order. Simply choose what you would like to do and go for it! You might:
☐ Paint and collage trees and landscapes
☐ Create a romantic scene with sgraffito
☐ Add color to black and white photographs
☐ Alter a book page
☐ Create a family tree with ephemera
☐ And much, much more! 10 projects and 10 inspiration exercises!

The ultimate guide to New Mexico’s premier destination Now in its ninth edition, Explorer’s Guide Santa Fe & Taos is a comprehensive guide to the land of enchantment. Award-winning author Sharon Niederman provides up-to-date information on all the attractions unique to this area: traditional festivals and markets, funky cafés, lavish health spas, exciting nightlife and beautiful scenery, along with colorful details about Northern New Mexico’s fascinating and unique multicultural history. Visit the adobe-walled San Miguel Chapel, the oldest church in the U. S., or celebrate La Fiesta de Santa Fe, the oldest continuously observed festival in the country. This thoroughly updated edition features hundreds of recommendations on the best lodging, dining, sightseeing, and shopping, as well as plenty of information on the area’s rich abundance of local lore and culture. With detailed maps and more than 100 vivid photos—all packaged in the beautiful, new Explorer’s Guide layout!this is the essential companion on any voyage to this rustic corner of the Southwest.

From soft pencils to graphite powder, ballpoint to fibre-tip pens, conté sticks to watercolour pencils, this unique guide covers everything you need to know to begin mastering and combining different media in your drawing. This visual directory of drawing techniques beyond the pencil provides you with the skills to explore and experiment with all the different techniques and mediums. Use it as a handy reference for when you want to know how to use a particular tool, or as a catalogue of inspiration when seeking new ideas to try. A wealth of media and equipment is demonstrated, and each page features invaluable information for beginners and accomplished artists alike. As the techniques progress, you’ll explore the creative possibilities beyond one medium, and be encouraged to look at your work and style in a new light. Use the examples shown to aid expression and skill development and to look at the myriad possibilities of mixed media, which have all been selected because of their compatibility. Start with basic graphite pencils, sticks and powder to explore line and tone, shading, creating textures and erasing. Then move on to coloured pencils to cover techniques such as burnishing, lifting and sgraffito. There are various interesting methods to try with water-soluble coloured pencils too, including different ways of applying water, blending and overlaying colours. Explore the effects that you can create with charcoal or conté sticks on different coloured and textured papers, and discover how to use pastel pencils and chalks for expressive drawing. Then master blending, shading and scumbling with hard and soft pastels, and perfect your techniques with crayons, oil pastels and oil paint sticks. There are some really interesting ways to use ink pens for painting effects and instructions are included for cutting your own quill pen. Ballpoint pens, fibre-tips, marker pens and brush pens are also great tools for creating modern, graphic drawings - pick up some handy tips for mark making and blending. Finally, experiment with mixed media and combining various pencils, pastels, crayons, powder, sticks and pens for some stunning results. Be inspired by the huge range of drawings in this book to expand and develop your own skills.

Highly recommended by Travel and Leisure and New Mexico magazines, this is the ultimate guide to Santa Fe and Taos. Now in its eighth edition, Santa Fe & Taos: A Great Destination is a comprehensive guide to the land of enchantment. The author provides up-to-date information on all the attractions unique to this area: traditional festivals and markets, funky caf é s, lavish health spas and beautiful scenery, along with information about Northern New Mexico ’ s fascinating history. This completely updated new edition has hundreds of recommendations on the best lodging, dining, sightseeing, and shopping and is now in full-color, featuring detailed maps and more than 100 vibrant photos.

Inside, discover all the major pottery techniques used the world over, from time-honoured traditional methods to exciting new developments. These include coiling, combing, resist decoration, sgraffito, slabbing and texturing clay. Once you’ve learnt these essential techniques, put your new skills into practice with a wealth of inspirational examples, ranging from bowls, vases and cups, to plaques, spheres and sculpture. In addition, advice on materials and equipment is provided to help you on your crafting journey, including kilns, glazes, moulds and more. Finally, a gallery of stunning images is featured throughout the book, demonstrating an array of beautiful designs by established potters and ceramicists that will inspire both beginner and experienced potters.

Copper enamelling - essentially, the melting of glass enamel grains onto a copper surface - is an exciting and fascinating technique. Enamelling on Copper highlights the unique interactions between copper and enamels, and gives a detailed account of working with this wonderful combination. The basic technique - simply sifting ground enamels onto a copper surface and firing the two in a kiln for one minute - is a thrilling experience, but delving deeper into the techniques pays even greater rewards. Starting with an introduction to enamels, this new book goes on to explain how to work with an enamelling kiln, including temperatures and timings; the different kinds of enamels and how they work together; the enamelling process and how to control small sifted particles of the glass enamels to achieve your designs. A final chapter is devoted to the practice of firing the enamels higher than is necessary in order to transform their colours to create unique effects.This book will be of great interest to all enamellers, jewellers and metal workers at all levels and is beautifully illustrated with 226 colour photographs.

Artist's Drawing Techniques

Painting in mixed media combines all the excitement and potential of different materials and techniques, while giving the artist the opportunity to express themselves without any of the limitations of each separate medium. Whether you love the vibrancy of pastels, the versatility of acrylics or the dynamism of collage, this book shows you how to combine them to make a unique piece of art. Also, you'll learn how to use each medium themselves, to experiment with their own creative ideas and to enjoy the magical potential of painting in mixed media. Materials include gels, pastes and paper collage, as well as paints. Step-by-step demonstrations explain how to build paintings layer by layer and projects put theories into practice. Advice throughout leads you through techniques and warns against common mistakes, with ideas and inspiration illustrated with 366 beautiful paintings by the author.

An inspiring craft gift book full of beautiful and imaginative designs to dress up the humble egg.

Discover how to develop your pottery design skills and bring your ideas to life from start to finish. Covering every technique from throwing pottery to firing, glazing to sgraffito, this pottery book is perfect for both handbuilding beginners and potting pros.
