This collection explores the history and development of the anglophone short story since the beginning of the nineteenth century.

This book is an investigation of the foundation and evolution of romance in Iceland. The narrative type arose from the introduction of French narratives into the alien literary environment of Iceland and the acculturation of the import to indigenous literary traditions. The study focuses on the oldest Icelandic copies of three chansons de geste and four of the earliest indigenous romances, both types transmitted in an Icelandic codex from around 1300. The impact of the translated epic poems on the origin and development of the Icelandic romances was considerable, yet they have been largely neglected by scholars in favour of the courtly romances. This study attests the role played by the epic poems in the composition of romance in Iceland, which introduced the motifs of the aggressive female wooer and of Christian-heathen conflict.

From a very humble beginning filled with hardships, the sixth child in a family of fourteen, I was born on a small impoverished farm on the Gaspé Peninsula, in Quebec, Canada, just a tiny dot on the map as I say, and had a very unusual and fulfilled life. Living in ten major Canadian and us cities, always accidentally, I met unforgettable people such as a Roman Catholic Cardinal, Representatives of Governments in Canada, the Governor of Florida, as well as meeting internationally known singers such as Elvis Presley and Julio Iglesias, a WWII naval officer, hockey players, wrestlers and many more prominent people. I lived through illnesses, three earthquakes, car accidents, robberies at gun point and knife point, the Italian and Cuban exoduses and through the 9/11 collapse of the Twin Towers by the terrorists, in ny. In my youth I even realized my dream of skydiving. I dedicate this book to Dr. Maria Pedro for saving my life in 2013, without whom there would not be a book to leave as my legacy to future generations, and to my dear sister, Françoise, who is always there for me.

Out of the Darkness, in collaboration with mental health charity Together for Mental Wellbeing, challenges some of the most exciting voices in horror and dark fantasy to bring their worst fears out into the light. From the black dog of depression to acute anxiety and schizophrenia, these stories prove what fans of horror fiction have long known – that we must understand our demons to overcome them. In the wake of the Covid-19 pandemic, what began as a mental health crisis has rapidly become an unprecedented tsunami. The Centre for Mental Health has estimated that 10 million people will need mental health support in the UK as a direct consequence of Covid-19, with a staggering 1.5 million of those being under eighteen. Edited by Dan Coxon (This Dreaming Isle) and featuring exclusive stories by Alison Moore, Jenn Ashworth, Tim Major and Aliya Whiteley, this collection harnesses the power of fiction to explore and explain the darkest moments in our lives. Horror isn't just about the chills – it's also about the healing that comes after. All royalties and editor's fees from this collection are being donated to the mental health charity Together for Mental Wellbeing.

This is a collection of five stories that builds on the previous collections by adding other Silent e words, not just the Dolch words. In this collection, instead of just short vowel sounds, there will also be the long vowel sounds formed when a "silent e" is added to the end of the word. All five stories are written with other phonetic "silent e" words, which include the Dolch phonetic sight words. Each story will have a list of vocabulary words at the beginning as well as questions to answer at the end.*

William Sydney Porter (1862-1910), known by his pen name O. Henry, was an American writer. O. Henry's short stories are known for their wit, wordplay, warm characterization, and surprise endings. Among his most famous stories, Cabbages and Kings was his first collection of stories, followed by The Four Million.

This carefully edited collection of "THE COMPLETE SHORT STORIES OF NATHANIEL HAWTHORNE (Illustrated)" has been designed and formatted to the highest digital standards and adjusted for readability on all devices. Excerpts: "I am afraid this ghost story will bear a very faded aspect when transferred to paper. Whatever effect it had on you, or whatever charm it retains in your memory, is, perhaps, to be attributed to the favorable circumstances under which it was originally told." (The Ghost of Doctor Harris) American novelist and short story writer Nathaniel Hawthorne (1804-1864) published his first work, a novel titled Fanshawe, in 1828; he later tried to suppress it, feeling it was not equal to the standard of his later work. He published several short stories in various periodicals, which he collected in 1837 as Twice-Told Tales. Much of Hawthorne's writing centres on New England, many works featuring moral allegories with a Puritan inspiration. His fiction works are considered to be part of the Romantic movement and, more specifically, Dark romanticism. His themes often centre on the inherent evil and sin of humanity, and his works often have moral messages and deep psychological complexity. Captain Heinz Noonan, "Master of the Impossible Crime," is called upon to solve the most puzzling of riddles. If it's odd, you call Noonan. Why, for instance, would someone steal 200 garden gnomes and then leave them in a pattern across a city? Better yet, how can air cargo increase in weight as it flies and how can a century old Tong highbinder warrior appear in a locked warehouse and then disappear in a cloud of smoke? And why would anyone want to steal anything from a garbage dump? See if you can solve these unusual mysteries faster than the "Bearded Holmes" of the Sandersonville Police Department. Oh, then there is the theft of 8,000 gallons of water, a reappearing coelacanth, the theft of some Komodo dragon trousers and, of course, a missing duct tape tuxedo. The perfect Who dun what for your bookshelf and enjoyment.

This carefully crafted ebook: "The Complete O. Henry Short Stories (Rolling Stones + Cabbages and Kings + Options + Roads of Destiny + The Four Million + The Trimmed Lamp + The Voice of the City + Whirligigs and more)" is formatted for your eReader with a functional and detailed table of contents. William Sydney Porter (1862-1910), known by his pen name O. Henry, was an American writer. O. Henry's short stories are known for their wit, wordplay, warm characterization, and surprise endings. Most of O. Henry's stories are set in his own time, the early 20th century. Many take place in New York City and deal for the most part with ordinary people: clerks, policemen, waitresses, etc. O. Henry's work is wide-ranging, and his characters can be found roaming the cattle-lands of Texas, exploring the art of the con-man, or investigating the tensions of class and wealth in turn-of-the-century New York. O. Henry had an inimitable hand for isolating some element of society and describing it with an incredible economy and grace of language. Some of his best and least-known work is contained in Cabbages and Kings, a series of stories each of which explores some individual aspect of life in a paralytically sleepy Central American town, while advancing some aspect of the larger plot and relating back one to another.

Musings will make you laugh, cry, and ponder the substance of your life. Appearing as random stories, collectively they reveal the subtleties that comprise modern life and explore it. Montgomery Thomas reveals the inner workings of the psyche through projected introspection. From broken friendships to social influence to a tempting dalliance, Thomas jabs at the reader and demands a response. He elicits emotion and the need to deliberate the circumstances of one's life.

In this stimulating and readable book, educators--most of whom have long been involved in computer-based literacy research efforts--provide up-to-date information on computer-based reading and language arts. These experts offer valuable goals and strategies for integrating computer technology into the reading/language arts curriculum, including suggestions for activities that should not be used. They also address the basics of developing, evaluating, and using computer-based reading instruction programs. The unique benefits of computer technology to second language, writing skills, and the reading process to early readers are thoroughly explored. Alcott was an abolitionist and a feminist. "Little Women" is a semi-autobiographical account of the author's childhood with her sisters in Concord, Massachusetts. "Good Wives" followed the March sisters into adulthood and marriage. "Little Men" detailed Jo's life at the Plumfield School that she founded with her husband Professor Bhaer. "Jo's Boys" completed the "March Family Saga".
