The Padgett Messages introduce the reader to soulful teachings of Divine Love & spirit communications received by James E. Padgett. The Padgett Messages introduce many spirit related matters such as soulmates, insight into the afterlife, spirit guides, the soul of mortal man and realm of spirits. The teachings of Divine Love are the essence of these messages and apply to the individual on their soul journey. James Padgett received these messages from spirits and Celestial spirits through his gift of mediumship of automatic handwriting. The inspiration for James to commence receiving messages from spirits was to communicate with his wife Helen who had passed into the afterlife. Dr. Stone and Eugene Morgan assisted James in this work during 1914-1920. The message of Divine Love is as relevant today as are the Celestial spirits who conveyed these messages with James Padgett. Communication with spirit inspires many to seek information which may illuminate their spiritual journey.

I absolutely love your book. Honestly, I'm reading it again because it had so much information. It's deep and embodies so many aspects of spirituality. That's what I enjoyed the most about it. It's different because of that. Everything around spirituality, books, usually focus on only one or two areas. I think back to that time when I was desperately seeking answers and had no one around me to ask or talk to about this. If your book would have been available, wow, a game-changer. I can't tell you how many books I've read, especially when I was desperately seeking out everything and anything that talks about universal beliefs, all of it. Many things were, well, a waste of time. Then I would find a book which is a gold nugget. That's what makes your book amazing. You've covered so many things around this that even if only a few things resonate with a reader, you've given that person a trail and a path to follow. While navigating through the dating scene, every woman begins to wonder: How do I know when a guy really loves me?Am I being too picky?Do I even deserve love?Is my relationship worth keeping?Is love worth the risk?Are any decent guys left? Single women often feel left alone to find answers to their deep questions about love and intimacy. Some hang out and hook up, hoping for love. Others are afraid even to hope. At some point, every woman needs reassurance that she—and her standards—are not the problem. In How to Find Your Soulmate without Losing Your Soul, you'll discover twenty-one strategies to help you Love, one of the most profound of human emotions, love that accompanies us from puberty to old age, love that follows us from ancient times to modern, from ancient writings, through the Bible and the texts of medieval scribes to modern day books and movies. Through the millennia love has lost none of its secrecy, charm, attractiveness, craziness, even in this digital age, when we are overwhelmed by information. But what is love? Where does this emotion originate? Are humans the only living beings feeling this emotion? Can love be explained by some chemical reactions in our brains? Is love just a trick of nature or is love some kind of higher feeling? We do not have definite answers to any of these questions, nevertheless, neuroscience, behavioral science and others have provided us with some, at least partial answers. We know today a great deal more than ever before about what is happening in the brain when we are madly in love. We understand why our hearts beat faster when we see the person we love, we know why we sweat and why we feel anxious when the loved one is away from us, and we have some ideas about how feelings of attachment form in the brain. This book guides you through the complicated labyrinth of genes, molecules and brain cells that are involved in the feelings of love, attachment, affection, and also simple sexual reproduction.

*This is the account of an American teenager who discovered a monastery in Tibet that was the inspiration for the legend of Shangri La. It might be categorized as a 'new age' or philosophy book, like the Celestine Prophecy, since it focuses on his spiritual training and their teachings in a novel-like format. Hard to believe, but interestingly, the sub-tropical region amongst the Himalayas that he describes finding, was later documented by explorers from National Geographic, then 'covered up' (there is still evidence of this). Also interesting is that the author was apparently mentioned in the Edgar Cayce readings (the famous American psychic whose books have sold millions of copies), as someone who would one day bring an important message to the world.*

**Addressing the crisis of intimacy in the black community today, an insightful guide provides tools and support needed in troubled relationships and deals with racial prejudices, the infidelity myth about black men, and difficulties with unequal incomes. Reprint, 17,500 first printing.** In her lively and conversational style, Carolyn Miller takes a high-spirited, unsentimental, in-depth look at what a soulmate is and how to connect with that special person. Sharing her own quest and that of dozens of other couples for a meant-to-be relationship, she uses true and extraordinary stories to illustrate what she means by inner guidance. Contrary to popular belief, soulmate couples do not usually recognize each other at first glance: When Roma was but eight years old, she risked her life daily by bringing food to Herman, who was interred in a Nazi concentration camp. They later met repeatedly while both lived in Israel, but it was not until nine years later that they met in New York and recognized that they were soulmates. Karen, a beautiful and successful pop singer, met Pat by handing him her card as she passed him in the street and asking him to "call me." They became fast friends, but neither felt that they were "right for each other." It was only after they put aside their preconceived ideas of what their ideal partner would be like that they became soulmates. Pedro and Elizabeth first met as they passed one another in a psychiatrist's office. Their therapist felt that they had a past-life connection but ethically could do nothing to bring them together. They met again while waiting for a plane, and discovered they were soulmates. Each chapter ends with guidelines for actualizing a soulmate relationship, which provide a practical aid to the reader who wishes to find his or her own "relationship made in heaven."

**In this volume, Monte Farber and Amy Zerner, who have been soulmates since 1979, describe the path they walk every day. It's a path that any of us can walk, whether we're looking for love or looking to improve the relationship we're in. A moving, insightful, frank, and often funny account, they share their own stories—from meeting and falling in love, to beginning to work together, to dealing with the stresses and challenges that inevitably occur. With every story and at each step of their journey, they offer readers Secrets to practice in their own lives. They also provide readers 36 lessons to remember when attracting and developing a relationship. Because Monte & Amy are so well-known for their oracles, they also made a way that the reader can consult these lessons in answer to questions they may have, following the principle that the Universe gives us what we need.**

Now, with his 40th birthday fast approaching, Rusty is starting to suspect he might only be destined for mediocre things. A bachelor with few family members and fewer friends, life hasn't quite panned out the way Rusty hoped it would, and he's beginning to resign himself to being alone and unimportant. All that changes the night he meets the precocious ghosts of his unborn twin daughters, Isabeau and Oona. Quickly, he comes to discover the universe is a strange brew of fate and happenstance wherein Isabeau and Oona only have a small window of time during which their spirits can be born. Can the little girls help their father find the woman destined to become their mom? Or will Isabeau and Oona miss their chance to exist? If you squandered decades of your life awaiting "one true love" who never arrived, this magical tale will comfort your heartache with an empathy like you've never known.**

This is volume one of 5 books. Altogether the books contain the messages received from angelic realms by means of automatic writing through the mediumistic work of James E. Padgett between 1914 and 1920. They reveal information such as: the realities of the spirit and soul universe; the qualities and attributes of the Creator; laws of Divine Love and natural Love; qualities of Absolute Truth; understanding the human soul, spirit body and mortal body; soul progression on earth and in the spirit world; spiritual laws such as the law of compensation and the law of attraction; the two paths of spiritual development as first presented by Jesus in the first century, each path resulting in the purification of the soul, but only one path resulting in eternal progression, complete emotional bliss and immortality. The major theme of the basic principles governing the reception of Divine Love by the human soul is also covered.

An unusually effective book of insights into how to attract the person truly meant for you. Discover the natural laws that govern the finding of your true life-and-love partner and learn some profound meditation techniques.

Soul mate and twin flame love is an ancient concept. We see it in the dance between Shiva and Shakti, the union of the Horned God and Mother Goddess in old earth religions, the passion of Osiris and Isis, and the mystical symbiosis of Jesus and Mary Magdalene. But while ancient and timeless, at no point in the history of civilization has there ever been as intense and passionate an interest in spiritual relationships as there is right now. In this breakthrough book, spiritual counselors and twin flames Aletheia Luna and Mateo Sol, dive deeper than ever before into the fiery world of twin flame and soul mate love. With notoriously down-to-earth and crystal clear insight, Luna and Sol explore how to find, create, and sustain real awakened relationships in an increasingly fragmented world. Chapters in this book include: 1. Love and the Spiritual Awakening Process 2. What is a Soul Mate? 3. What is a Twin Flame? 4. The Story of Luna and Sol 5. How to Find Your Soul Mate and Twin Flame 6. Harmful Myths About Soul Mate and Twin Flame Relationships 7. The Five Levels of Relationships 8. Are You in a Healthy Relationship? 9. What to Do When Your Relationship Falls Apart 10. The Shadow Side of Seeking Love 11. How to Use Your Relationship as a Spiritual Catalyst This book covers an extensive number of topics including the complex areas of false twin flames and soul mates, twin flame separation, the runner/chaser dynamic, and how to create a harmonious spiritual Union. You'll also discover how to fulfill the ultimate purpose of twin flame and soul mate relationships: to awaken yourself and the world around you to deep levels of love, joy, and interconnectedness. Twin Flames and Soul Mates is an eye-opening psychospiritual guide that will have an earth-shaking, life-changing effect on your relationships for years to come. (Note: this book is composed of various articles published on lonewolf.com in the past. Extra information and guidance have been added to help illuminate your path and guide you through this sacred path of love.)

The first encounter with a soulmate isn't something you can compare to any other encounter. Many people will instantly realize that this is a special kind of partner. Often, a feeling arises as if you were looking into your own eyes or as if you were standing in front of you in person, which is a result of great love connecting the two soulmates. Usually, the male soulmate withdraws from his female soulmate after a short time, which is very difficult for her to understand because the only thing she'd like is to be together with him. The more he withdraws or acts in the opposite direction of what he has been saying to her, the more she believes that she's imagining everything or even that she's ready for a mental hospital. Thereby, she may get trapped in a waiting position or feel great suffering, which seems very much the same as infernal anguish. These and further questions will be explained in this first part: - Why the male soulmate always withdraws. - Why at the time of their encounter, the male soulmate is mostly bound to someone (in a relationship). - Why the male soulmate usually tries to start a relationship with other women. - Why you'll wear a stigma of a crazy person if you tell someone about this connection. - Why she has to suffer so much because of his withdrawal and what it all means. - Which individual phases you have to go through with your soulmate and what happens in each of them. - What kinds of behavior you should possibly avoid with your soulmate, especially if you are experiencing neediness.
