

The Art Of Kissing

From the opening pages: "In the works of St. Augustine we find an account of four kinds of kissing; the first, the kiss of reconciliation which was given between enemies wishing to become friends; the second, the kiss of peace which Christians exchanged in church in the time of the celebration of the holy eucharist. The third, the kiss of love which loving souls gave to one another and to those whom they showed hospitality." "Honeyed seal of soft affections, Tenderest pledge of future bliss Dearest tie of young connections. Love's first snowdrop, virgin bliss." --Robert Burns

WILL ROSSITER, THE ART OF KISSING. Dedicated to all who love. At seven!! a sly kiss is so sweet. To steal one now and then's a treat. At seventeen! they're nicer still. And there's a way where there's a will. At seventy!! It's just the same. They still keep up the old, old game.

The dictionary says that a kiss is "a salute made by touching with the lips pressed closely together and suddenly parting them." From this, it is quite obvious that, although a dictionary may know something about words, it knows nothing about kissing. In this rediscovered classic guide, originally published in 1936, Hugh Morris expounds on the wonderful ritual of osculation (better known as kissing). He explores why people kiss, how to prepare for a kiss, putting variety into your kissing, as well as some popular naughty kissing games. In his guide, you will discover a range of kisses, including the French Soul Kiss, the Eyelash Kiss, the Nip Kiss, the Dancing Kiss. You'll come away from this book wanting to discover the pain-pleasure of the Vacuum Kiss, include your friends in Electric Kissing Parties, and please your paramour with the Surprise Kiss! So, gird up your loins, pucker up your lips and let's to the kissing arena!

Revealing the Secrets of All Great Lovers
A Sense Of Humor*"For me, humour is super important in a relationship, I cannot stand a boring life," Rob Alex, who created Sexy Challenges and Mission Date Night with his wife, tells Bustle. "Humor is unique to everyone, yet it is my opinion that it is vital to relationships," he says. Don't worry: You don't have to have the same sense of humour as your mate. "Even if the approach to humour is different for each partner, it is still something that adds a level of fun to your relationship," he says. In other words, the important thing is that you both have a sense of humour, whatever it may be. "Many couples forget how to have fun together as their relationship progresses," Alex says. "When they forget how to have fun, the relationship turns sour and everything starts to lose its colour." No Bueno. "If you look around, couples that are laughing together and joking around together seem to have relationships that are amazing; they typically have better sex, better conversations and, obviously, more laughs together," he says. "There is an old saying, that 'laughter is the best medicine,' and I believe it is one of the best ingredients for a relationship too." Just have fun together, people!-18BUY NOW*

Bad dates? *Kate's had 'em. As an American in London she's discovered not every Englishman is Tom Hiddleston. There was the guy who wanted to suck her toes in public, and the guy who thought he was an alien. As in the kind from outer space. Broken heart? Kate's been there. After her husband left her for a hot Brazilian, her world came crashing down. Her heart and her confidence pretty much got thrown in a blender set to "chop." Her only options were to run home to America with her tail between her legs, or put on her big girl panties and get on with life. She chose the latter. Faith in men? Surprisingly restored by the dreamy Adam Wentworth whose kindness and wicked sense of humor send Kate's damaged heart fluttering once again. After kissing so many frogs, she's determined not to let this prince get away. Get lost in this sweet, feel-good romantic comedy.*

Coloring books aren't a new trend, but the increasing popularity of adult coloring books may have you asking what on Earth is going on. While you may be tempted to think that this is a fast passing fad, you may be surprised to know that there are a vast number of benefits to be had from joining in on the adult coloring book trend. Our exclusive adult coloring book shares just about everything you ever wanted to know about the budding adult coloring craze. In addition to learning more about the benefits of adult coloring, you will find unique and creative coloring pages so that you can try your hand at this new hobby! Whether you are looking to understand the adult coloring "fad" or whether you are looking to understand just why you love this new trend so much, this book explains it all! Forget the books that contain generic coloring designs and a paragraph about the benefits of coloring, this book delves into it all! Inside you will find plenty of amazing adult coloring designs as well as explanation of some of the benefits of adult coloring including: The increase of sociability A reduction of stress and anxiety An increase in focus An increase in fine motor skills After getting started on these unique adult coloring book patterns, you will find yourself spending more and more time enjoying the benefits of coloring! What Our Lips Are Telling Us

Give Me a Kiss

The Art of Kissing, 2nd Revised Edition

Covers such topics as why hugs are healthy, the different hugging preferences of men and women, how to ask for a hug, and when is the most romantic time to hug

In this witty, engaging book, author Marina Anderson explores the art of kissing. From works of art since ancient times to the classic kisses of modern cinema, Anderson looks at how this simple act of love and affection has been infused into our romantic imaginations. Written in an engaging informal style with a good sense of humor, Marina Anderson delivers a book that is meant to be enjoyed by friends and lovers alike!

Excerpt from The Art of Kissing If your girl is a blonde, she will require more effort as many blondes are inclined to be just a little cold or slow in responding to love making. This does not go for all blondes, of course. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. THE ART OF KISSING

Disability & the Art of Kissing

In The Art of Kissing, William Cane reveals that there is more to kissing than simply locking lips. Through a hundred thousand interviews he has discovered the truth about what men and women do, think, and feel when they kiss. Their input and his expert knowledge can help you to master the secrets of great kissing. With specific techniques for more than thirty types of kisses, this updated and revised edition features:
* Overcoming first kiss shyness

* Secrets to increasing your 'kissability'
* Complete instructions on French Kissing
* Electric kisses, neck kisses, ear kisses and much more
* Transform your kissing technique, pucker up with passion, and master The Art of Kissing Today!

Somebody-year-old Carter Lane has wanted to be a chef since she was old enough to ignore her mom's warnings to stay away from the hot stove. And now she has the chance of a lifetime: a prestigious scholarship competition in Savannah, where students compete all summer in Chopped style challenges for a full-ride to one of the best culinary schools in the country. The only impossible challenge ingredient in her basket: Reid Yamada. After Reid, her cute

but unbearably cocky opponent, goes out of his way to screw her over on day one, Carter vows revenge, and soon they are involved in a full-fledged culinary war. Just as the tension between them reaches its boiling point, Carter and Reid are forced to work together if they want to win, and Carter begins to wonder if Reid's constant presence in her brain is about more than rivalry. And if maybe her desire to smack his mouth doesn't necessarily cancel

out her desire to kiss it.

Helps readers improve their kissing technique, master the various forms (including French and neck kissing), and discover the most sensual kinds of kissing

A Definitive Collection of the Most Passionate, Romantic, Outlandish, & Wonderful Quotations on the Intimate Art of Kissing

In All It's Varieties

The Science of Kissing

The Secret Art of Kissing

From Lord Byron's "first kiss of love" to Kevin Costner's "long slow, deep, soft, wet kisses that last for three days," The Book of Kisses contains the most charming, witty and memorable quips to cross the lips of such famous and infamous kissers as Bette Davis, Elizabeth Taylor, Madonna, Boris Yeltsin, Walter Cronkite, and hundreds of others. The quotes cover first kisses (Errol Flynn, Elizabeth Barrett Browning) funny kisses (Jay Leno, Minnie Pearl), sensual kisses, romantic kisses, literary kisses, celebrity and movie-star kisses (Burt Reynolds, Kim Basinger), kissing definitions, kissing proverbs, kissing advice and techniques (William Shakespeare, Louis Armstrong, Ronald Reagan), and kissing quotes from around the world. Who could forget legendary celluloid smooches like Marilyn Monroe and Tony Curtis's kiss in Some Like It Hot or Woody Allen and Diane Keaton's first kiss in Annie Hall? Or the first time F. Scott Fitzgerald's Gatsby kisses his beloved Daisy: "at his lips' touch she blossomed for him like a flower"? From Earnest Hemmingway to Spike Lee, from Napoleon and Josephine to Ryan O'Neal and Farrah Fawcett, The Book of Kisses provides plenty of pucker power and passionate inspiration for anyone searching for words to describe that elusive, soul-touching thrill of the perfect kiss.

College. For many, it is a place of learning, self-discovery, and growth. But as much as parents don't want to admit it, college is also a time of unabashed exploration, especially for the MTV-drenched and Howard Stern Radio Show-soaked kids of the 1990s. So, it makes perfect sense that The Kissing Show, a performance based on the international bestseller The Art of Kissing, became a near-overnight sensation. Born out of William Cane's Judd Apatow-like desire to woo the woman of his dreams, The Kissing Show appeared at over 400 colleges and universities across the nation. Kissing U.S.A. reveals it all in a sexy (and sometimes shocking) behind-the-scenes look at all the things that were part of making The Kissing Show a sensation: The comedic and surprising foibles of Cane's own love life The power of listening to and understanding your audience Dealing with competition from drag queens The importance of having a "less-than-great" muse The fact that almost anything can be a source of inspiration--if spun the right way John Cane as he recounts his meteoric rise in the college lecture and entertainment circuit through all the good, the bad, and the awkward kisses that took North American colleges by storm. Who knew playing dentist could ever be a turn-on?

Schoolteacher Mairi Tanner is back in America for good. She's done with love, done with Greece, and she's especially done with Greek billionaires who don't know what trust means even if it hits them on the head. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 10.0px 'Times New Roman'; color: #462e88} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 10.0px 'Times New Roman'; color: #462e88; min-height: 11.0px} But then...what's this she hears about a certain Greek billionaire looking for her, hoping for a second - no, wait, third, no - oh, darn it. Mairi has lost count of the chances she's given Damen Leventis. But one thing's for sure: Damen had his last chance with her, and he blew it. Note: 1. This is a 100% escapist rom-com with lots of sex, delightful fluff, and angst. 2. This is the fourth of a six-part serial and reading order is as follows: The Art of Catching a Greek Billionaire (free) The Art of Trusting a Greek Billionaire The Art of Loving a Greek Billionaire The Art of Forging a Greek Billionaire The Art of Wedding a Greek Billionaire The Art of Kissing a Greek Billionaire (free)

Damen & Mairi: The Art of Catching a Greek Billionaire

Julie Wilson is America's favorite relationship guru. She writes a book about kissing, creating a media sensation. Brad O'Malley, popular talk-show host, wants to interview Julie. She refuses, knowing Brad O'Malley places his guests in the 'hot seat.' In retaliation, he steals a kiss from Julie at her book signing. The kiss ignites Julie's senses--and her popularity. She agrees to appear on 'O'Malley's Corner' and boldly announces that she's kissed a hundred men to research her book. Brad's ratings soar, but Julie will soon regret her 'hundred men' lie when he offers her a regular spot on his show...and a hefty salary. Julie accepts, knowing the generous offer will help the local women's shelter she volunteers at, but will she be able to endure the arrogant Brad O'Malley, and her growing attraction to him? Sealing the bargain with another mind-blowing kiss, sparks fly as Julie and Brad go head-to-head, and delve into the fine art of kissing.

My name is Raven, and my life is getting interesting. It all starts with a kiss and ends with a storm. But the middle is the complicated part. Not only do I discover a secret about my aunt, but I also learn of a secret club that might know something about my past. Things aren't too terrible, though, until someone leaves me a message in the snow. And included with the message is a dead bird. Or more specifically, a dead raven. Luckily, I have Jax. Hunter, and yes, I'm even starting to be grateful for Zay. But as another forgotten memory comes to me out of nowhere, I begin to question if I can even trust them.

Schoolteacher Mairi Tanner has everything she's ever dreamt of: a handsome Greek billionaire husband who loves her, a beautiful daughter, and a job she's passionate about. It's the perfect life, really, if you don't mind a couple of troublesome things like her vindictive mother-in-law from Hell, Damen's horrible ex-fianc ée, and then there's that young man who stole a kiss from her. . . .p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 10.0px 'Times New Roman'; color: #462e88} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 10.0px 'Times New Roman'; color: #462e88; min-height: 11.0px} But other than those things? Perfect. Nothing else can go wrong...right? Note: 1. This is a 100% escapist rom-com with lots of sex, delightful fluff, and angst. 2. This is the last of a six-part serial and reading order is as follows: The Art of Catching a Greek Billionaire (free) The Art of Trusting a Greek Billionaire The Art of Loving a Greek Billionaire The Art of Forging a Greek Billionaire The Art of Wedding a Greek Billionaire The Art of Kissing a Greek Billionaire (free)

The Art of Kissing - Curiously, Historically, Humorously, Poetically Considered

The Fine Art of Kissing

American schoolteacher Mairi Tanner jets off to Greece to teach English in a private ladies' school and find her own Greek billionaire to marry. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 10.0px 'Times New Roman'; color: #462e88} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 10.0px 'Times New Roman'; color: #462e88; min-height: 11.0px} But before you think she's a gold-digger, she's not. This is a quest for true love (honest!) since unlike other little girls who grew up on bedtime stories about princesses and unicorns, Mairi has been raised by two spinster aunts whose idea of fairytales were of Greek billionaires rescuing modern-day damsels from a tediously mundane and loveless life. And so when she finally meets her knight in Armani? Mairi falls head over heels and thinks right away that a wedding ring is in the offing...until she finds out that Damen Leventis only wants her on temporary terms. Note: 1. This is a 100% escapist laugh-out-loud romantic comedy with lots of sex, delightful fluff, and angst. 2. This is the first of a six-part serial and reading order is as follows: The Art of Catching a Greek Billionaire (free) The Art of Trusting a Greek Billionaire The Art of Loving a Greek Billionaire The Art of Forging a Greek Billionaire The Art of Wedding a Greek Billionaire The Art of Kissing a Greek Billionaire (free)

How do you say, "So many men, so little time," in French? Well, Emma Sullivan can always figure that out later. The point is -- she's in Paris! Which would be great, except that Emma's stuck doing public relations for one of the hottest -- and craziest -- rock stars on the planet. Making things worse is Gabriel Francoeur, the sexy and stubborn reporter who refuses to believe her when she tells him that her client was just playing Go Fish in that hotel room with all those scantily-clad girls.... But Emma will always have Paris. The City of Light, of romance, of high fashion and of unfathomable varieties of cheese. If a girl can't reinvent herself here, there's no hope! It's time to leave the old Emma Sullivan behind and become someone courageous, exciting, successful. The type of girl who, when faced with a reporter who won't stop asking questions, knows just what to do. After all, they don't call it French kissing for nothing!

Kisses have been called the balm of love; Cupid's seal; the lover's fee; the fee of parting; the first and last of joys; the homage of the life; the hostage of promise; love's chief sign; love's language; love's mintage; love's print; love's tribute; love's rhetoric; the nectar of Venus; the pledge of bliss and love; the seal of bliss; the melting sip, and the stamp of love. When we dwell on the lips of the love we adore, Not a pleasure in nature is missing May that man lie in Heaven-he deserves it I'm sure Who was first the inventor of kissing.

The Book of Kisses

The Truth About What Men and Women Do, Think, and Feel

An Art Form

The Art of Kissing : Curiously, Historically, Humorously, Poetically Considered

From a noted science journalist comes a wonderfully witty and fascinating exploration of how and why we kiss. When did humans begin to kiss? Why is kissing integral to some cultures and alien to others? Do good kissers make the best lovers? And is that expensive lip-plumping gloss worth it? Sheril Kirshenbaum, a biologist and science journalist, tackles these questions and more in The Science of a Kiss. It's everything you always wanted to know about kissing but either haven't asked, couldn't find out, or didn't realize you should understand. The book is informed by the latest studies and theories, but Kirshenbaum's engaging voice gives the information a light touch. Topics range from the kind of kissing men like to do (as distinct from women) to what animals can teach us about the kiss to whether or not the true art of kissing was lost sometime in the Dark Ages. Drawing upon classical history, evolutionary biology, psychology, popular culture, and more, Kirshenbaum's winning book will appeal to romantics and armchair scientists alike.

Between Edison's scandalous footage of the first kiss in cinema in 1896 and today, the public image of 'lip locking' has undergone some radical transformations. In 1936, a man named Hugh Morris penned a small illustrated pamphlet titled, 'The Art of Kissing', in which he guided young lovers through the techniques, tricks, and 'approved methods of kissing', including such varieties as 'the Spiritual Kiss', 'the Nip Kiss', 'the Pain Kiss', 'the Surprise Kiss', 'the Eyelash Kiss', 'the French Soul Kiss', plus more, as well as tips on how to prepare for a kiss and how to approach a girl. Dated in its assumptions about love, heterosexuality, and marriage, it's as much a charming time capsule of a bygone era as it is a sure source of a good chuckle.

A kiss is just a kiss...or is it? Since the initial publication of his comprehensive kisser's manual, The Art of Kissing, author William Cane has received thousands of phone calls and letters from readers with questions, concerns, and comments about their kissing techniques. In this revised edition of an international classic (now published in eighteen countries and sixteen languages), he shares their insights, responds to their questions, and calms their kissing qualms with more of the lip-smacking wisdom his fans have been waiting for. New topics include: -The kinds of kisses men and women like most (and least!), according to the results of the world's first Internet kissing survey -How to overcome your kissing shyness and kissing anxieties -More lips-on instruction and wisdom from real kissers on how to perfect the first kiss, the eye kiss, the nose kiss, the neck kiss, the public kiss, and the wet kiss, as well as complete instructions for all new kisses, including the butterfly kiss, the friendly kiss, and the lip-o-suction kiss. Lovers everywhere will want to take a buss-man's holiday with his playful, passionate paeen to puckering up.

The World-Famous Kissing Coach Offers Inspiration and Advice on Why, Where, and How to Hug

In How to Kiss with Confidence, William Cane reveals that there is more to kissing than simply locking lips. Through a hundred thousand interviews he has discovered the truth about what men and women do, think, and feel when they kiss. Their input and his expert knowledge can help you to master the secrets of great kissing.

The dictionary says that a kiss is "a salute made by touching with the lips pressed closely together and suddenly parting them." From this it is quite obvious that, although a dictionary-may know something about words, it knows nothing about kissing. If we are to get the real meaning of the word kiss, instead of going to the old fogies who compile dictionaries, we should go to the poets who still have the hot blood of youth coursing in their veins. For, instance, Coleridge called a kiss, "nectar breathing." Shakespeare says that a kiss is -a "seal of love. Martial, that old Roman poet who hid ample opportunity to do research work on the subject, says that a kiss was "the fragrance of balsam extracted- from aromatic trees; the rise odor yielded by the teeming saffron; the perfume of fruits mellowing in the winter buds; the flowery meadows in the summer; amber warmed by the hand of a girl; a bouquet of flowers that attracts the bees." Yes, a kiss is all of these ... and more. Others have said that a kiss was: the balm of love; the first and last of joys; love's language; the seal of bliss; love's tribute; the nectar of Venus; the language of love. Yes, a kiss is all of these ... and more. For a kiss can never be absolutely defined. Because each kiss is different from the one before and the one after, just as no two people are alike, so are no two kisses alike. For it is people who make kisses. Real, live people pulsating with life and love and extreme happiness. In this book you will learn: Different Kinds of Kisses, Why People Kiss, Why Kissing Is Pleasant, Approved Methods of Kissing, Kisses Are But Preludes to Love, Preparing for the Kiss, How to Approach a Girl, The Technique of Kissing, How to Kiss Girls with Different Sizes of Mouths, Enjoy the Thrills of Kissing, The French "Soul" Kiss, Put Variety into Your Kisses, The "Vacuum" Kiss, The "Spiritual" Kiss, The Eyelash Kiss, The "Pain" Kiss The "Nip" Kiss, Variation Kisses Are the Spice of Love, Electric Kissing Parties, The Dancing Kiss, The Surprise Kiss, Kissing Under the Mistletoe, Kissing Games, ...and much more.

Excerpt from the opening chapter --"Of kissing it has been quaintly said that nature was its author and it began with the first courtship. The Scandinavian tradition was that kissing was an exotic introduced into England by Rowena, the beautiful daughter of Hengist, the Saxon.
