Children's Bibles have been among the most popular and influential types of religious publications in the United States, providing many Americans with their first formative experiences of the Bible and its stories. In *Children's Bibles in America*, Russell W. Dalton explores the variety of ways in which children's Bibles have adapted, illustrated, and retold Bible stories for children throughout U.S. history. This reception history of the story of Noah as it appears in children's Bibles provides striking examples of the multivalence and malleability of biblical texts, and offers intriguing snapshots of American culture and American religion in their most basic forms. Dalton demonstrates the ways in which children's Bibles reflect and reveal America's diverse and changing beliefs about God, childhood, morality, and what must be passed on to the next generation. Dalton uses the popular story of Noah's ark as a case study, exploring how it has been adapted and appropriated to serve in a variety of social agendas. Throughout America's history, the image of God in children's Bible adaptations of the story of Noah has ranged from that of a powerful, angry God who might destroy children at any time to that of a friendly God who will always keep children safe. At the same time, Noah has been lifted up as a model of virtues ranging from hard work and humble obedience to patience and positive thinking. Dalton explores these uses of the story of Noah and more as he engages the fields of biblical studies, the history of religion in America, religious education, childhood studies, and children's literature.

Ever overhear a pre-teen or early teen conversation? It can be pretty dramatic -- in fact, young people and drama go together like... God and the Bible! If you're looking for quality material that draws middle school/junior high age young people into the scriptures, here's an invaluable resource. *My Way Or Thy Way* is a collection of twelve brief plays that bring familiar Bible stories to life in contemporary conversation that's easy to understand. By focusing on the choices made by the main characters -- and their consequences -- the scenes help young people make better choices in their own lives. "I want to do it my way, not thy way" was the struggle of these biblical personages, and many of us face similar issues today. Each skit lets participants "walk in the sandals" of ordinary people who faced extraordinary choices. Designed for versatility, these scenes can be given full dramatic performances with props, scenery, and costumes, or presented in readers' theater format for use as dynamic classroom discussion starters. Each drama is accompanied by questions and a variety of related activities. *My Way Or Thy Way* is an excellent supplement to a Sunday school, Bible school, or Bible study curriculum, and is especially useful for youth groups. These beautifully written skits are a perfect way for youth (and adults) to discover the teachings of the Bible. Pat Betteley has created a series of inventive and insightful pieces that encourage active participation from both performer and audience. Early Americans have long been considered "A People of the Book" Because the nickname was coined primarily to invoke close associations between Americans and the Bible, it is easy to overlook the central fact that it was a book-not a geographic location, a monarch, or even a shared language-that has served as a cornerstone in countless investigations into the formation and fragmentation of early American culture. Few books can lay claim to such powers of civilization-altering influence. Among those which can are sacred books, and for Americans principal among such books stands the Bible. This Handbook is designed to address a noticeable void in resources focused on analyzing the Bible in America in various historical moments and in relationship to specific institutions and cultural expressions. It takes seriously the fact that the Bible is both a physical object that has exercised considerable totemic power, as well as a text with a powerful intellectual design that has inspired everything from national religious and educational practices to a wide spectrum of artistic endeavors to our nation's politics and foreign policy. This Handbook brings together a number of established scholars, as well as younger scholars on the rise, to provide a scholarly overview--rich with bibliographic resources--to those interested in the Bible's role in American cultural formation.

Jesus, The Light in the Darkness

The 10 Best Decisions a Single Can Make

God is crying out loud for his people. Thousands upon thousands of his children are dying unsaved! Our gangsters, our wayward teens, our ex-prisoners, and our young adults belong to God. They belong to us also. All is ours! We must face the blame. We created them. We created conditions that produced them. We shut down the mandatory military draft, the one sure way of teaching self-discipline, self-restraint, obedience, and responsibility to young adults prior to adulthood. Our Industrial Revolution paled in the light of the Technological Revolution, where high-paying apprenticeships and other jobs were given to robotics; one robot replaced twenty hard-working men with large families. Most of the remaining manufacturing jobs were shipped abroad, and the Industrial Revolution mud-bottomed out. Fast-food jobs were unable to support their families. We took away the industrial schools for delinquents who had large families; we gave these schools to the robotically displaced. Delinquents were pushed into jobs that could not support families. We made shotgun weddings disappear, so did the fathers. Where did they all go? They didn't go. They were pushed into the streets to survive. Pimps, drug dealers, confidence scammers, strong-arm robbers, gangsters, and identity thieves became the order of the day. Time is running out! The same thousands upon thousands of our wayward teenagers, gangsters, ex-prisoners, and young adults are falling through the cracks. Baby-killing spirits, seducing spirits, spirits of witchcraft, and spirits of divination are operating without walls in the metropolitan areas of the United States. This is of great concern to all saved people. We all recognize it, speak of it, and desire to do something about it. The task to overcome is so great we don't know where to begin! Some has even given up, referring to it as the Signs of the Times. We continue to do our church thing. We continue to do our televangelist's thing. We continue to do our international thing. We continue to strive for bigness. All of these is vitally important and must continue. But more is needed that speaks directly to gangsters, wayward teens, ex-prisoners, and young adults. More effort is needed to get their souls saved. If they come during the street ministry's call, that's great. We say we love you. But we will not call you directly to be saved.

Why are we here? Who really wrote the Bible? Was Jesus actually a messenger of God? Can science and religion be reconciled? Do we have free will? Divine Wisdom and Warning: Decoded Messages from God introduces a new way of using the ancient system of Gematria to solve these and other timeless questions. Nicholas Gura has developed an original technique, easily reproducible without the use of computers, that uncovers hidden, encoded messages in the Bible. These mathematically generated messages are both profound and metaphoric and will contribute to the meaning, quality, and purpose of our lives. Divine Wisdom and Warning reveals new insights on the parting of the Red Sea, suffering, quantum physics, the environment, treatment of women, and answers the eternal question: What is God's true religion?

Multiple Choices

WARRIOR By Marilyn Garrison & Myra Foster As we wrote this book, It was our goal that you see Sawyer on

every page... hear his laughter... taste his music... feel his heartbeat... see his spirit. Most know he fought against 'demons,' but not all know he won. This book is about Sawyer Grooms, fallen firefighter, son, grandson, brother, friend, musician, encourager, amazing and awesome man. "With a heavy heart and sick stomach I am letting you know we lost an Awesome Firefighter; on the morning of May 2, 2016, Sawyer Grooms, age 26, passed away. Sawyer became a firefighter at the age of 19 and worked with us here at Great Lakes Agency. We knew what a beautiful, humorous, kind and talented man he was. -Dave Pergolski, Fire & Fuels Manager, BIA, GLA This book walks the steps of a proud, self-reliant man being transformed into a humble servant who learned total reliance upon God. "He was doing what his heart led him to do, a simple act where many of us fail. He loved his fire!! I recall many times telling him it was a dangerous job and he might want to rethink his choices. But for him, being outdoors, hiking, working hard, and the camaraderie... that was what it was all about. I know for a fact he loved the Lord, and has been fighting the 'good fight' for years, and has a relationship with God. It showed in his tats, his music, his demeanor, and his heart. I WILL see him again. I thank you all for being a part of his life. God bless!" -Ernie Grooms, Sawyer's adoptive dad **THOSE WHO KNEW HIM BEST DESCRIBE HIM BEST** "Sawyer was always brutally honest and full of love. He brought me out of some pretty dark places just by being there." -C. Pratt "The world lost an amazing man today. His heart was so big, his laugh so outrageous, his talent so profound." -M. Elizabeth "He spoke seven words to me, 'Don't ever stop, don't ever give up!' He was never lazy and didn't let opportunities lapse. That wasn't who he was. He gave me something I often lose—hope." -D. Bonney "I'll never be able to thank him enough for what he did for me." -J. Williams "You loved everyone around you and made them feel they were worth something." -B. Panek "Every day I got to spend with Sawyer Grooms was a lucky day." -D. Pergolski Looking for God in all the wrong places? Then read this book. Its an in depth journey through the Holy Scriptures of the bible to guide you through Gods pathway of salvation which he has provided for human life on this earth. In the world of today, there are some many avenues and paths to choose in life. God has given man the freedom to choose his own destiny, but in that freedom he has asked that we choose wisely making right choices. What is the right choice in life? This book is here to help answer that question. The bible says the fear of the Lord is the beginning of wisdom; therefore, having godly fear is the first wise path that anyone can choose. Why is it wise to fear God? It is wise because once we begin to give God his due respect as the creator of life, is where we begin our journey toward discovering every other right and wise pathway life has to offer, which leads to true salvation and in the end eternal life. This book is a journey through the Holy Scriptures of the bible in finding that right path to help clear up the fog in the minds of so many looking to know and understand what is true and what is right. God has already laid the foundation by the scriptures that we may have the tools and the ability to build a life of success according to the Master who created this great world in which we live; and who knows best. If you have a true desire to understand the scriptures and want to know what God can do in your life; if you are confused about the bible and religion but hope to find the pathway leading to true salvation; then read this book. Is is here to give good education on biblical truths. And as you read, keep the bible handy: because this book is designed so that as you read it, you will need the bible for reference; in hopes that you might find the true pathway to paradise.

It is my hope and prayer that this collection of Christian meditations will help you in your daily lives. I have found that when times, politics, and people are uncertain or unforgiving then turning to God puts things into their true perspective - adversities and challenges become petty and minor when compared to the eternal wonder of God and the universe that he created through his Son, Jesus Christ. For Christian friends, brothers and sisters around the world who cannot worship God openly and freely, please remember that our prayers are with you each and every day. Last of all, let me share this simple Latin phrase with you - Pax est donum Dei - Peace is a gift from God.

In this book, Barna identifies seven core questions that Christians must be able to answer biblically in order to live a transformed life.

Prayer can help children become a person of purpose, character, strength, and confidence. *Pray'in/Praiz'en Kids* is a prayer curriculum that utilizes the armor of God (Ephesians 6:11-18), confessions, scriptures, crafts, and character development stories to teach children about prayer. The multi-sensory curriculum integrates proven methods of teaching and instruction. Shelton's prayer curriculum has been used at youth camps and in a home school program to teach children from different faith persuasions about prayer and character development. The curriculum stimulates a genuine desire in children to pray, praise, and grow in their relationship with the Lord.
