*trying to verbally communicate sensory impressions. While wine appreciation is traditionally characterized as joyously convivial in its social dimension, sensory impressions remain eminently private. This contrast explains why the language used to represent wine, or winespeak, is the object of increasing crossdisciplinary interest. This book analyzes the many different forms / many of the different forms of representing wine in present-day society, with a special emphasis on winespeak, starting from the premise that such study demands a genre approach to the many different communities involved in the wine world: producers/ critics/ merchants/ consumers. By combining the methodologies of Cognitive Linguistics and discourse analysis, the authors analyze extensive real-life corpora of wine reviews and multimodal artifacts (labels, advertisements, documentaries) to reflect on the many inherent difficulties but also to highlight the rich and creative figurative strategies employed to compensate for the absence of a proper wine jargon of a more unambiguous nature.*

En este primer tomo de "Los Escritos Escondidos de una Emperatriz del Siglo XX", se consideran muchas de las preguntas existenciales que en alguna u otra ocasión todos los mortales nos hemos cuestionado. La autora, Emperatriz Sanclemente Saavedra, es una escritora colombiana. Ella advierte que estos escritos no son aptos para ateos. En la mayoría de los poemas se resuelven las dudas, las cavilaciones, la incertidumbre y la angustia, recurriendo al consuelo que se encuentra en la fe, la esperanza y la caridad. A través de estos poemas, la escritora sin tratar de convencer a sus lectores a creer lo que ella cree, expresa abierta y sencillamente su opinión acerca de temas existenciales, científicos y a veces espirituales. En otros de sus poemas, comparte fórmulas que por medio de sus propias experiencias sabe que son efectivas para enfrentar la adversidad, la depresión y la decepción que originan las vicisitudes de la vida y que a todos los mortales, por turnos, nos toca experimentar tarde o temprano. Este libro se escribe con la principal y mejor intención de entretener y proporcionar una sonrisa a quien tenga la gentileza de leerlo. Y por qué no decirlo, como un llamado a considerar esta vida no como el objetivo final de la existencia, sino más bien como un vehículo que nos llevará a un lugar eterno, el cual podemos escoger a nuestro propio albedrío, dependiendo de lo que hagamos día a día.

Hernández ' s Cancionero y romancero de ausencias, a classic of 20th century Spanish poetry, comparable in many respects to the work of Lorca and Pablo Neruda. The poems in this book were mostly written while he was in prison after the defeat of Republican Spain.

In My Soul Dancing Into Poetry, you will have the chance to get lost and find yourself; you will explore the highs and lows of your most internal being; you will feel love and the pain that sometimes comes with it; you will question life and then also be in pure awe of the miracle life is; but more than anything, it will give you the inspiration to liberate and become one with your soul and true purpose. Her serene-musical-like poetry will give you a sense of comfort that will do nothing less than to make your soul feel at home.

VALKIRIE narra la historia de Mexico durante los ultimos dos sexenios dominados por la cruenta guerra contra los carteles del narcotrafico y sus

conexiones con importantes políticos, empresarios y corporaciones globales. Vivian camina dentro de una nube púrpura luego de la destrucción de México, entre muertos que no saben que lo están. Es una novela compuesta en capítulos que representan cabezas degolladas, manos mochadas, corazones arrancados. Como dice ella, "me lo dictaron las voces de los desaparecidos que por ahí están." Y es la reacción de las mujeres que cuando se les mete algo en la cabeza, nadie las puede parar. VALKIRIE es un oscuro viaje, un trance, con una mirada profunda, seria, pero también magnética, en otra dimensión, en donde se planea el asesinato de un presidente...o dos. VALKIRIE tells the story of contemporary Mexico's history, specially through the last twelve years dominated by an erratic and strange drug war against the cartels and its connections with important politicians, business men and global corporations. Vivian walks inside a purple cloud after Mexico ceased to exist, walking among Mexicans who don't know they are already dead. It's a novel composed in chapters that represent heads, hands, legs and hearts dismembered. VALKIRIE may be a fiction but it's well documented in reality. As Vivian, one of its characters, says, "it's written by the voices unheard, by the lost ones, the disappeared: the testimony of the dead that still walk around us." VALKIRIE it's a trip, a trance, a dark tour de force inside the mind of a girl induced by a new and powerful illegal drug in a plot that has to do

with the attempt to kill the president...or two."

"Alonso's Puzzle" is a curious amalgam of fact, fiction, and philosophy. It oscillates between a memoir and a confession. The narrative follows the adventures of a man named Alonso. Alonso is the alter ego of Cervantes' "Don Quixote." Before losing his wits, the character's name was Alonso Quijano el Bueno. Both Spanish and English are used, and the narration is nonlinear; thus, "Alonso's Puzzle." The subtitle "I Am Still Puerto Rican" is an allusion to Esmeralda Santiago's "Cuando era puertorriqueña." The various pieces of the puzzle seem to suggest the various periods of life, or the places lived. The missing piece is the protagonist's death. The image on the front cover is the work of the author's granddaughter, Miriam Moshe Cooper. Spanish Poetry of the Grupo Poético de 1927 is an anthology of poems by members of Grupo Poético de 1927, an association of poets who sought to detach poetry from non-poetic elements such as narrative, anecdote, political or social preoccupations, or didacticism. Seven poets are represented: Pedro Salinas, Jorge Guillén, Gerardo Diego, Federico García Lorca, Vicente Aleixandre, Rafael Alberti, and Luis Cernuda. This text consists of eight chapters and begins with an introduction to changing trends in poetry in Spain between 1918 and the present. Biographical notes are included to show the effect (or lack of effect) of these movements on the individual poets. Movements such as ultraismo and

maestria are discussed, along with the tercentenary of the death of Spanish poet Luis de Góngora, the crisis suffered by the Grupo, and late developments in the poets of the Grupo. The chapters that follow focus on the works of the Grupo poets. This book is written specifically for sixth-formers and undergraduates, as well as anyone with an interest in Spanish poetry.

***The development of my poetry has been and is the development of an encounter with an idea about God, the great Spanish poet and Nobel Prize winner Juan Ramón Jiménez wrote several years before his death. For anyone not familiar with the writings of this modern master, these austere and radiant poems, translated by the poet and scholar Antonio de Nicolás and presented alongside the original Spanish, will demonstrate why Jiménez is considered one of the masters of twentieth-century poetry. To what may this writing be compared? Whitman's 'Song of Myself' comes to mind, but it is not with any intention of taking away from Whitman's achievement that I declare a preference for the poetry of Juan Ramón Jiménez ...*

This I can say to you, Dear Reader, is a story of love and marriage beyond the wonders that make of life a grand and incomprehensible mystery. Explain if you can, how a young, innocent Catholic girl in Madrid would become the wife of a naive, Protestant American traveler stopping-over in Madrid en route to Tehran, Iran. Explain if you can, how the Bishop of Madrid would condescend to grant a special dispensation for the first mixed Protestant-Catholic wedding to be held in a Catholic Church in Franco's Spain in 1960. These matters can only be attributed to fate, chance, or the intervention of the Divine Hand. Nevertheless, those days and that adventure were as pure and fresh and exciting as only a youthful romantic can imagine. Those days I would like to hold on to. Marcel; indiferencia. Anel; fragilidad. Sin saberlo, viven escondidos en sus propias sombras, en sus mundos sin luz, en la soledad. Pero, de pronto, algo cambiará y después de defender a esa chiquilla flacucha en aquel salón de la universidad, se encuentra atraído por su parsimonia, tentado por su inocencia, y es por eso que la arrastra a un juego en el que desear es la parte medular, en el que sin notarlo, todo se transformará. ¿Será sencillo continuar esa gélida realidad a pesar de que, como estrellas en la noche, iluminan su oscuridad? ¿El deseo que su sola cercanía despierta, no exigirá más? ¿La posesividad es parte de la necesidad? ¿Por qué a su lado todo parece mejorar?

The purpose of this research is to analyse the pragmatic development of language groups at different proficiency levels and to investigate the relationship between interlanguage pragmatics and grammatical competence. For this study, 36 native Spanish speaking EFL learners at different proficiency levels were asked to respond in English to 24 different situations that called for the speech acts of request and apology. Results showed three important aspects. The first finding suggested that basic adult learners possess a pragmatic knowledge in their L1 that allows them to focus on the intended meaning and, in most cases, to assemble an utterance that conveys a pragmatic intention and satisfies the communicative demands of a social situation. The second finding revealed that there are two essential conditions to communicate a linguistic action: the knowledge of the relevant linguistic rules and the knowledge of how to use them appropriately and effectively in a specific context. The findings further suggested that advanced learners possess the grammatical knowledge to produce an illocutionary act, but they need to learn the specific L2 pragmatic conventions that enable them to know when to use these grammatical forms

An overview of the issues and critical debates in the field of Women's Studies within the area of peninsular Hispanism. In the continuing U.S. debate over illegal immigration, a human face has rarely been shown. The topic has been presented as a monolithic abstraction, a creation of

statistics, political rhetoric, and fear. This collection of letters between undocumented immigrants in California and their families back home reveals the other side of the story. Published for the first time in paperback, *Between the Lines* reveals the often poignant human drama currently being played out along the U.S.-Mexico border. The letters, presented in Spanish and English, express powerful feelings of hope, uncertainty, and fear among the undocumented travelers as they arrive in the United States and seek work, social support and legal status. The letters from their families in Mexico, Guatemala, and El Salvador return feelings of hope, love, and support. Translator/editor Siems provides a powerful and lyrical introductory essay that sets the stage for the letters that follow.
