Morgan has managed again to produce a strong set of characters that make us cheer for them on every page....Recommended for the permanent library of all readers that love a well-written fantasy." --Books and Movie Reviews, Roberto Mattos (regarding Rise of the Dragons) A bundle of books one, two and three in Morgan Rice's new #1 Bestselling epic fantasy series OF CROWNS AND GLORY (SLAVE, WARRIOR, QUEEN, ROGUE, PRISONER, PRINCESS and KNIGHT, HEIR, PRINCE). Here are three bestselling novels, all in one convenient file. In SLAVE, WARRIOR, QUEEN, 17 year old Ceres, a beautiful, poor girl in the Empire city of Delos, lives the harsh and unforgiving life of a commoner. By day she delivers her father's forged weapons to the palace training grounds, and by night she secretly trains with them, yearning to be a warrior in a land where girls are forbidden to fight. With her pending sale to slavehood, she is desperate. 18 year old Prince Thanos despises everything his royal family stands for. He abhors their harsh treatment of the masses, especially the brutal competition—The Killings—that lies at the heart of the city. He yearns to break free from the restraints of his upbringing, yet he, a fine warrior, sees no way out. In ROGUE, PRISONER, PRINCESS, 17 year old Ceres, finds herself forced, by royal decree, to fight in the Stade, the brutal arena where warriors from all corners of the world come to kill each other. Pitted against ferocious opponents, her chances of survival are slim. Her only chance lies in drawing on her innermost powers, and making the transition, once and for all, from slave to warrior. 18 year old Prince Thanos wakes on the isle of Haylon to discover he has been stabbed in the back by his own people, left for dead on the blood-soaked beach. Captured by the rebels, he must crawl his way back to life, find who tried to assassinate him, and seek his revenge. Ceres and Thanos, a world apart, have not lost their love for each other; yet the Empire court teems with lies, betrayal and duplicity, and as jealous royals weave intricate lies, they each, in a tragic misunderstanding, are led to believe the other is dead. The choices they make will determine each other's fate. In KNIGHT, HEIR, PRINCE, 17 year old Ceres, a beautiful, poor girl from the Empire city of Delos, finds herself alone at sea, drifting towards the mythic Isle Beyond the Mist—and towards the mother she never met. She is ready to complete her training, to finally understand her power, and to become the warrior she was meant to be. But will her mother be there to greet her? Will she teach her all she needs to know? And will she reveal all of the secret of Ceres' identity? In Delos, Thanos, thinking Ceres is dead, finds himself wedded to Stephania, and immersed deeper in a court he cannot escape from and in a family he hates. He also finds himself in the midst of the erupting Revolution, which culminates in a daring attack on the Stade. He is stuck in a game of pawns and kings, of traitors and queens, and it may be Ceres, after all, who is destined to change it all. OF CROWNS AND GLORY tells an epic tale of tragic love, vengeance, betrayal, ambition, and destiny. Filled with unforgettable characters and heart-pounding action, it transports us into a world we will never forget, and makes us fall in love with fantasy all over again. This book contains the complete trilogy of the Fate's Warriors series. Note: This series contains characters from the Mortis, Shifter Squad and Hellscourge series, but it can be read as a standalone series. God of Mischievous: Locked in a never-ending battle for supremacy, the balance between good and evil is approaching a climax that will determine the destiny of every living being. Advocate for Order, Fate has chosen three warriors to face the agent of Chaos; Loki. Torn from their worlds, Natalie, Lexi and Violet will embark on a multi-dimensional mission. Their task is far more than just to save their own version of Earth. This time, the stakes are much higher. Seeking revenge for being banished from Asgard, Loki has found some unlikely allies to assist him. Once he has defeated Odin and his army, he will turn his attention to Earth. With seven billion slaves to command, nothing will stop him from achieving what he has always craved;

ultimate power. Fate isn't going to make conquering Earth easy for Loki. She uses her well-honed manipulation skills to try to sway him from the dark path he's chosen. Bianca Caldwell, a helpless mortal who knows nothing about Gods or monsters, will be drawn into the maelstrom with no hope of escape. God of Mayhem: The Shifter Squad is called back into action as Lexi, Natalie and Violet travel to the next dimension in search of their target. Lexi's world comes under threat from the very being who created shapeshifters so long ago. Again, Loki has allied himself with the Grimgorg, but this time he has new monsters at his beck and call. Loki on the Alpha World continues to strive to keep Bianca Caldwell safe as Fate had instructed him. The girl is an unwanted burden that he wishes he could foist off onto someone else. Instead, he is stuck with her and his very future could depend on keeping her alive. Lexi and her team must once again step up to save their world, but their version of Loki has tricks at his disposal that will make things very difficult for them. They must rely on the two warriors from other realities to help them defeat their enemies. Fate chose them for a reason and they have to trust that neither of them will buckle under the pressure. God of Malice: Violet's world has only recently recovered from being invaded, but it is now about to be subjected to an attack by aliens. Her angelic and human friends will need to step up once again to save their planet. They will be instrumental in helping Hellscurge and her fellow warriors save humanity from enslavement. Bianca has felt like a pawn ever since she fell into Loki's arms. When Fate contacts her directly and gives her a task, she realizes her hunch is correct. Her mission is monumental and she isn't sure that she can pull it off. For the sake of humanity, she has to do the impossible; change the mind of a god. Violet's version of Loki has allied himself with creatures who are even more sly and treacherous than he is. His choice of partners will prove to be more of a danger than he'd anticipated, but he'd never expected the peril would be to himself.

It is a second chance romance novel with NO cheating, NO cliffhangers, and a guaranteed happy ending!

From the author of Dorothy vs. Alice comes this dementedly funny reimagining of the classic tale. Alice never left Wonderland. She's trapped. She's angry. And she wants revenge. The truth is not what you were led to believe. It wasn't all "just a dream." It's a nightmare. A nightmare she can't escape, where formerly pleasant characters throw her unhappy unbirthdays parties to torment her, while others like to make her cry so they can lick her tears. But one day after years of this unpleasantness, she loses her heart. Literally. Well, technically someone steals it. And she has to get it back. By any means necessary. And it's a lot easier to be ruthless now that she's heartless. Alice is fed up with all the losers of Wonderland, from the goofy Mad Hatter to the bloodthirsty Cheshire Cat to the sadistic Queen of Hearts. And Alice is tired of being so sweet and innocent, with all her dimples. She used to be a preteen, but today is her 13th birthday, and she'll be singing unhappy birthday loudly as she delivers violent justice! Yeah, she used to be so sweet you could die. Well, now they all shall die...literally. Yes, from now on, she shall deal death with two dimples and a giggled kill line. She'll be a super cute Angel of Death! It may be 1865, but Alice is about to go medieval. She will have her heart returned to her even if she has to kill all the citizens of Wonderland one by one... Two years ago, Sei buried her daughter. Two days ago, she found out she was alive. This digital box set includes the first two books in this heart-pounding, five-book series. Contract: Snatch After her daughter's death, ex-assassin Sei fled to the Ardennes forests of Belgium to try to find peace. But a mysterious source contacts her, promising to return her daughter. Simply take on one last job: break a notorious assassin out of jail. Diyarbakir Prison is the most dangerous place in Turkey. If torture doesn't kill a prisoner, the guards will. Breaking out is impossible. Breaking in is insane. But if Sei ever wants to see her daughter again, she'll have no choice but to agree to the plan. Contract: Sicko Sei learns about an individual involved in the abduction of her daughter—a man so vile, so foul in every way, that the mere thought of him turns Sei's stomach. To make matters worse, Sei must do the unthinkable when she finds this sicko. She must befriend him. What readers are saying:

I never thought I would be cheering on an assassin, but it's hard to not love this character. I had fun trying to guess Sei's next move. I was never correct. Hard to imagine how this author created a character so clever, intelligent and gifted. And a woman, no less. Assassins may not be the best people in the world, but Sei makes you root for the best for her.

Drama, mystery, and a hard punch from the beginning. Start a series you won't ever want to put down. Pick up the first two books in the Sei thriller series.

Not until her diabolical twin sister decided to go on a rampage that could expose them. To add to the aggravation, coven reject Raj McKenna catches Gray performing a complex spell and is convinced they would make a powerful couple. He can delude himself all he wants. Gray has sworn off dating warlocks, especially delinquents who play with fire. But even Gray's mysterious death won't deter Raj, not after Gray is brought back from the great beyond. Only she's not truly back. Her body's still six feet under and she's on borrowed time. There are forces threatening Gray's existence and a powerful wizard willing to help . . . for a price. Gray doesn't know who to trust or how long she has left before she vanishes for good, but she's determined to stick around no matter what the cost. Book 2 (Duplicity): If Graylee Perez thought sharing a body with her twin sister was bad, dealing with a duplicate of herself is two times worse. Gray the second doesn't seem to get that Lee's boyfriend is off-limits. Then there's the problem of Adrian Montez. He expects one of the Grays to be his. Nearly a year later, the council is on to them for past misdeeds; Lee, along with the rest of the coven, has lost control of her powers; and, Gray is being stalked by what looks like the Grim Reaper. If the two Grays work together, they may stand a chance of setting things right and making it out alive. Book 3 (Enchantment): Barcelona. Summer escape. Or so Graylee Perez thought until her old adversary, Adrian Montez, brings his magic show to Spain. Gray seeks out a Spanish wizard to help banish Adrian from her life once and for all. Instead, she tumbles headfirst into a love spell with the arrogant warlock. After Gray follows Adrian to Paris, she must face her true feelings and decide if Adrian's worth fighting for. Holiday Magic: Every day is a gift worth celebrating—especially when you've died not once, but twice. Ever since giving up her powers, Lee has had to adjust to life without magic. It's never been harder than when she and boyfriend Raj McKenna travel to Paris to spend winter break with Lee's duplicate, Gray, and her boyfriend, Adrian Montez. Celebrating the holidays with the shifty warlock isn't Lee's idea of a holly jolly good time, but she fears poor Gray is still under the influence of a love spell. Why else would she settle down with the brute? It's up to Lee to make sure her duplicate isn't being duped.*

No matter how hard we try to hide it, inside we're still seventeen, sitting at the river, looking for the girl with the brown eyes. In this intensely personal collection of short stories, bestselling author Martin Crosbie writes about relationships, sex, children, infidelities, guilt, and sometimes, the absence of guilt.

Zélie en Amari hebben het onmogelijke voor elkaar gekregen: ze hebben de magie teruggebracht naar het koninkrijk Orïsha, waar Zélie's volk - de maji - wordt onderdrukt door een wrede heerser. Wanneer de koning zich opmaakt om Orïsha aan te vallen, probeert Zélie uit alle macht de maji te verenigen om te voorkomen dat ze onder de voet worden gelopen. Daarnaast is het van het grootste belang dat Amari haar recht op de troon behoudt. Met zoveel zware taken op haar schouders, weet Zélie niet of ze het gaat redden... Complete Series Omnibus
