A request has been made and it has been accepted. The emotion is there and the excitement is at its peak. You are getting married, everything is going well in the best of all worlds, so you are now ready to start planning your wedding with your future wife or husband. Now is when the trouble starts: venue, caterer, guest list, invitations, parting gifts, speeches, wine of honor, photographer, music, first dance, speeches, ceremony ... the list of things to manage seems

endless and you don't know which way to turn. So I decided to write a wedding planning guide that would synthesize the best of the internet, our experience and our exchanges with wedding planners, with simple and efficient advice to make your wedding planning a pleasure. The first part will be composed of the questions we are most often asked: how does the D-day go, how much does a wedding cost, who does what, how much time in advance to do it, how to get organized.... Then, I will present you the main steps of the organization of a wedding with simple advices and concrete recommendations always around a question / answer format ! How to succeed in the organization of your wedding ? The organization of a wedding is not an easy task as the list of things to manage is so long. Two things are essential: time and planning. The organization of a wedding can often be a stressful thing for the future bride and groom, the fear that the most beautiful day of their lives will not be a success being for many. It is therefore important not to add extra stress by having to take care of everything at the last minute! In addition, certain steps, such as managing the place and date, often require many months in advance, or even a year or more (in some regions, places are reserved even 2 years in advance!). Then the planning: it's good to get a head start, but you need to know where you're going! A little further on, we propose you a model of retro planning so that you can be sure not to be overtaken by time ! We will realize the work of a personal wedding planner in this book with all our knowledge on the subject of events and wedding. We will answer all your questions about wedding decoration, wedding dress, groom's outfit, children of honor, hall and ceremony decoration, wedding music. If you would like to plan your wedding perfectly so that it will be a highly successful and memorable experience, then keep reading... Take care of the to-do's before the I do's and say yes to less stress and more style with this fine wedding planner!
